Team-UK Announced

Posted by Ripper at 15:09 2/11/2002.

Just this minute j0nb0y announced who'd be representing Team-UK for the upcoming CB Nations. Here's the team:

- Infinity eSports | Liquid
- Infinity-eSports | lil
- cs-marines | b0b
- omg! its m0rph
- ONE > Keiju
- ONE > KhAoS
- erm^Bom
- tR` Demo

Rumours suggest that AnNuM, Barely Legal and Sarge all closely missed out for the last spot. The obvious surprise in that otherwise faultless line-up is Demo from tR, and after hearing of his placement in the team I approached tR` Blackbelt and asked him if what i'd heard was true:

[1:51pm] [6K^Ripper]: did all of tR email jonboy under aliases to get demo into the squad?
[1:51pm] [6K^Ripper]: :o
[1:51pm] tR` Blackbelt: rofl
[1:51pm] tR` Blackbelt: yeah
[1:51pm] tR` Blackbelt: nah ;)

Make from that what you will, lets hope Demo can perform to the level required. KhAoS himself seemed surprised, after not hearing anything from j0nb0y he assumed he wasn't in it. Here's his reaction seconds after being chosen:

[3:08pm] ONE|KhAoS: wtf
[3:08pm] [6K^Ripper]: lol
[3:08pm] ONE|KhAoS: im shaking
[3:08pm] ONE|KhAoS: he never told me
[3:08pm] [6K^Ripper]: ;op

Good luck Team-UK, bring us some glory.

akujii0r Infinity-eSports 15:17 2/11/2002	so let me see all this spiel about no broadbanders because you are trying to make the uk team a threat to other nations seems utter bollocks now.. no offence to demo not his fault he been picked but im sure even he will admit that their are so many better players than him.. bl, sarge, annum to name but a few seems a tad gay roll on the hltv for demo vs heaton :P [Comment: Report IP: Logged]

Team-UK Announced

Posted by Ripper at 15:09 2/11/2002.

Just this minute j0nb0y announced who'd be representing Team-UK for the upcoming CB Nations. Here's the team:

- Infinity eSports | Liquid
- Infinity-eSports | lil
- cs-marines | b0b
- omg! its m0rph
- ONE > Keiju
- ONE > KhAoS
- erm^Bom
- tR` Demo

Rumours suggest that AnNuM, Barely Legal and Sarge all closely missed out for the last spot. The obvious surprise in that otherwise faultless line-up is Demo from tR, and after hearing of his placement in the team I approached tR` Blackbelt and asked him if what i'd heard was true:

[1:51pm] [6K^Ripper]: did all of tR email jonboy under aliases to get demo into the squad?
[1:51pm] [6K^Ripper]: :o
[1:51pm] tR` Blackbelt: rofl
[1:51pm] tR` Blackbelt: yeah
[1:51pm] tR` Blackbelt: nah ;)

Make from that what you will, lets hope Demo can perform to the level required. KhAoS himself seemed surprised, after not hearing anything from j0nb0y he assumed he wasn't in it. Here's his reaction seconds after being chosen:

[3:08pm] ONE|KhAoS: wtf
[3:08pm] [6K^Ripper]: lol
[3:08pm] ONE|KhAoS: im shaking
[3:08pm] ONE|KhAoS: he never told me
[3:08pm] [6K^Ripper]: ;op

Good luck Team-UK, bring us some glory.

I thought Khaos was on ISDN so how can he be selected (no hard feelings here id have him in my team) but rules is rules. A maximum of two players from any clan team may be selected for the national team. So Barely Legal was never in contention really with Keiju and Khaos in the squad. GJ Reporter. Team-UK Announced

Make from that what you will, lets hope Demo can perform to the level required. KhAoS himself seemed surprised, after not hearing anything from j0nb0y he assumed he wasn't in it. Here's his reaction seconds after being chosen:

[3:08pm] ONE|KhAoS: wtf

Good luck Team-UK, bring us some glory.

Good luck Team-UK,

Good look Demo, not many get the chance like you got, give it your best and no-one can complain. good luck.

The posts made me yawn , people back j0nb0y to pick the team and run it give him some support instead of moaning, he's picked the team for a reason, i doubt it was a rash deision.

GOOD LUCK Lads.

specialy m0 , he's done well since that car crash, playing cs with ur toes. respect. good luck m8e

DK Stalk Confront Engage Eliminate 19:18 2/11/2002	I said so many, including you. You was voicing your backing of jonb0y when Chris0 pulled out, hoping to f*** I wouldn't get it. Then saying his choice is a farce, because you've heard people emailed jonb0y saying play him. Didn't you and chris0 try every attempt to get the UK team slot with as much s*** as you could get away with. Every post you made at that time had to have a chris0 team uk comment, every BW league report had to big up 6k and have a condescending undertone to their rivals. Now you post news and have to use it again to take a DIG at something you don't like!! You can't help it it's in your nature, I can sense it, you're a slimy f***er. You make my skin crawl. You're about as impartial as a f***ing conservative backbencher whilst Blair is giving a whitepaper speech on £1billion education grant. But you didn't provide any information on what you intended to do or achieve. Like someone said at the time, when one person stands down its obvious people will support someone else instead, and I didn't actually officially support j0nb0y at all, neither did 6K. I just found it interesting that he was applying for it. Anything I said about 6K in any league posts or whatever wasn't bias towards them, it was simply because I have "inside knowledge" and can share s*** that might be minutely interesting, nothing else. If someone came upto me before I write such pieces telling me how their clan had server difficulties or whatever then I'd gladly include it. [Comment: Report IP: Logged]

I wasnt having a go at you, but a few of the idiots on here! So next time come to me if you have a problem.

BS, and It's my job to protect my missus and I do it without remorse. However if some c*** came on irc saying the s*** some1 did, I'd be f***ing having him aswell. It's about loyalties, something you don't have.

I always have a problem and laff, you don't ever want me to come see u!

Oh dear. Tbh picking a team would be too close to call anyway. So many good players personally i think giving a chance to upcomers is improtant but i also think experience is a huge factor in the decision. Who ever was picked people would have flamed. There will always be a bone of contention so just live with it.

As for KID last year he was imo the best player in the uk I just feel sorry for the fact he has never been given a chance to prove it.

Team-UK Announced

Posted by Ripper at 15:09 2/11/2002.

Just this minute j0nb0y announced who'd be representing Team-UK for the upcoming CB Nations. Here's the team:

- Infinity eSports | Liquid
- Infinity-eSports | lil
- cs-marines | b0b
- omg! its m0rph
- ONE > Keiju
- ONE > KhAoS
- erm^Bom
- tR` Demo

Rumours suggest that AnNuM, Barely Legal and Sarge all closely missed out for the last spot. The obvious surprise in that otherwise faultless line-up is Demo from tR, and after hearing of his placement in the team I approached tR` Blackbelt and asked him if what i'd heard was true:

[1:51pm] [6K^Ripper]: did all of tR email jonboy under aliases to get demo into the squad?
[1:51pm] [6K^Ripper]: :o
[1:51pm] tR` Blackbelt: rofl
[1:51pm] tR` Blackbelt: yeah
[1:51pm] tR` Blackbelt: nah ;)

Make from that what you will, lets hope Demo can perform to the level required. KhAoS himself seemed surprised, after not hearing anything from j0nb0y he assumed he wasn't in it. Here's his reaction seconds after being chosen:

[3:08pm] ONE|KhAoS: wtf
[3:08pm] [6K^Ripper]: lol
[3:08pm] ONE|KhAoS: im shaking
[3:08pm] ONE|KhAoS: he never told me
[3:08pm] [6K^Ripper]: ;op

Good luck Team-UK, bring us some glory.

FELLA 11:50 3/11/2002	FS DK why did you have to mention my name ... now people wanna fight me :o) I actually agree with Rhyzz on this one. Demo/Demolisher/Ded^Lok whoever he is hasn't proven himself at this level, he may be good enough but he hasn't 'proven' it. It's like football ... there's lot of great players (with potential) ... but you wouldn't take them to the World Cup finals would you ? On a side note: Hav ... if someone is disrespecting your friends' (?) girlfriend and your friend (?) is not around whether it be in IRC or real life, then YES it up to you to defend her. It's called being a man ... chivalry aint dead yet. You saying if a girl was being mugged/raped/beaten up (even a stranger) you wouldn't step up ... hmmm. Sarge should have deffo been in.

	On the subject of Jonboy getting it over DK ... Jonboy has already answered this himself. It seems it wasn't based on the number of votes/support you got ... which makes the whole campaigning thing obsolete really. read his interview, it just confirms that the whole thing was 'fixed'. http://www.ukterrorist.com/interviews/clan/teamuk2/ [Comment: Report IP: Logged]
