ONE > Righteous - Interviewed

Posted by Dev at 23:24 3/11/2002.

At SoGamed there has been an interview with Righteous from one of the top UK clans, clanONE. The interview which was done by pOlaris focuses mainly on UK lan events but also looks at things like the WCG movie and the community as a whole. Below is an extract from the interview:

pOlaris: The UK CPL quals are next, along with the Intel Masters, what are you going to do in preperation, which differs from any other tournaments you have entered?

ONE|Righteous: We are going to work more on tactics this time, a months hard practice with 4/5 PCWS a night against top clans. Then a week before each tourament we are going to LAN it for the week. This will hopefully happen but with us you never know =oD.

You can read the full interview right here.
