Team UK.Female

Posted by Ripper at 23:02 4/11/2002.

At the request of AnNuM here's a bit of info on the Female CS team looking to succeed in the Nations Cup. The team consists of the following:

- MS^DK - Team Captain
- ni - evul
- L0v3r - Xceptional
- esensua|z
- Katerina - Choke
- Spacette - Fragtastic
- Stardust - Veterans
- Clare - Chix

A few unknown faces there, but hopefully they'll be able to put up a good performance against Europe's best. Check out their IRC channel #girls.uk and show your support!

Update

Dev has conducted an interview with MS^DK, leader of girls.uk, it can be found here
