KhAoS joins ClanONE

Posted by Ripper at 18:37 5/10/2002.

This is very sketchy news, whether its just for WCG or forever remains to be seen, but it seems that KhAoS has joined ClanONE, one of the UK's most promising clans.

Now talking in: #clanone

Topic: ::[Latest : KhAoS Joins Clan ONE]::[WCG TEAM : Righteous/Strikes/Keiju/Barely-Legal/KhAoS]

Obviously with KhAoS in their team ONE will have to be considered serious contenders to I-eS tommorow. Lets hope Myers can get a word with ONE to get the full details.

ONE Strikes 19:30 5/10/2002	I aint gonna lie about this guys, the Reason for Tom aka Khaos Joining clanone, is that we have lost a vital Team player Kid he has been Online the whole time since his no show @ gdoc but we decided to give him another chance for this lan, he was apprently meeting tom friday day time to come down and play for us @ wcg he didnt show and turned his phone off again. we kept it quiet cos we didnt want to get us flamed and laughed at for him not showing up again, Khaos is the only player in Our minds that could replace such a player as Kid as u all know was very good all round, we hope u r happy with this move but if u aint we dont care :PP Kid is no Longer a member of Clanone we was training with him online for 2/3 weeks before wcg but again his no show as put us in the sticks we hope 2 do well tomorrow but if we dont better luck next time hf all all teams tomoz c u there.... [Comment: Report IP: Logged]
