Clash of the Titans: dNC vs IeS

Posted by St_George at 17:57 6/7/2002.

The "biggest" game of the tournament so far saw Does Not Compute take on Infinity-eSports on de_nuke. The first half ended with IeS winning 8-4 as CT. dNC then won the opening pistol round and the next two, leaving them needing 6 more rounds for victory. However, infinity weren't going to disappear there. They came back to get 5 rounds and win the match.

Final score: **13-10.**
