Infinity-eSports beat clanONE

Posted by St_George at 15:36 6/7/2002.

After the close game with erm^, infinity-esports were looking for a solid victory and that they did. Fought on dust2, ONE couldn't find a way to hold ies back and the half ended 12-0 to infinity. Obviously, only one more round was needed for victory and on the fourth round ies won the match. **Final score: 13-3.**

I managed to catch up with Infinity-eSports | Mangiacapra shortly after the game and he had this to say:

"We are glad to have sobered up after the first game, as a few of us had a few too many beers last night, but the pro plus helps :)"

Well played to ONE and to Infinity-eSports.
