clanONE beat Nocturne

Posted by St_George at 17:51 6/7/2002.

Yet again, clanONE exceeded all expectation and beat clan Nocturne on de_aztec. ONE as CT managed to pull off a 10-2 victory before they changed to T needing just 3 rounds. Nocturne then won the pistol round and soared into a 3-0 lead. However, ONE battled back to 3-3 making the final score 13-5 to ONE.

I managed to catch up with ONE | Obi shortly after the match:

"We came here to have fun, and to prove we don't config our way to glory. We exceeded all expectations and managed to do all of this without much practice and still had great fun."

Again, well played both teams and condolences to noc.
