Games Domain Ends In Success For Infinity-eSports

Posted by Myers at 22:47 8/9/2002.

After a great weekend, the Games Domain event ended with the UK Counter-Strike tournament. The final four teams left after the group stages were omg!, Infinity-eSports, ONE & Nocturne. Infinity-eSports and ONE both won their semi-final games to set up a mouth-watering final clash, meanwhile omg! and Nocturne went into the 3rd/4th place playoff for £1,000.

Infinity-eSports defeated ONE in both halves 8 - 4 and 5 - 0, respectively, taking the top £4,000 prize with ONE happily settling for a well earned £2,000.

The 3rd/4th place playoff was much more intense with each side winning the CT half 7 - 5 taking the game into extra time, where both sides won their half 3-0. Omg! & Nocturne have decided to share the £1,000 prize between them.

The final standings are as follows:

1. Infinity-eSports - £4,000
2. ONE - £2,000
3. omg! & Nocturne - £500 each

I would like to comment on what a great event this was, congratulations to Daishi and his crew for running this event so well. I believe demos will be uploaded soon so come back tomorrow for that info.

Myers Saviour of UKT UKTerrorist 23:04 8/9/2002	one of the funniest moments was ies vs N@S... Ns had taken a 5 - 0 lead as counter-terrorists... The 6th round started..a couple of ppl died etc and i think it came down to lucking & stu vs 1 counter-terrorist. anyway they're going down the slope into underground bombsite and for no reason..stu shoots

		lucking with the awp... given the intensity and potential embarssment of the situation u really have to understand how amusing this really was... Lucking "i can't f***ing believe u did that!" stu *grin* anyway they won the round and eventually won the game 13 - 5 or summin...practically the only time during the whole tournament that actually made ies break a sweat. stu is a really funny guy 24/7 [Comment: Report IP: Logged]

	ash^ 10:18 10/9/2002	thats lame 🤔:(I heard there were some storming performances that are missed out on. I saw the n@s demo vs. omg! and i-es vs. noc - if m0 and liq pld like that all event i see why they are amongst the best players at the tourney. I'm p***ed off I didnt see m0 as T vs. nocturne and liquid in i-es vs. clanone in the final. can the gdoc lads have a better look on the PC's and find em plz coz i think i stand united with the community to see em 🤔:([Comment: Report IP: Logged]
