ONE Through To The Semi's

Posted by Ripper at 22:04 8/12/2002.

ONE have just this minute won their quarter final fixture with armaTeam in the Clanbase Opencup Fall 2002. In an extremely close match ONE deservedly took the win after a disapointing first map. After losing both pistol round they managed to notch up 11 rounds in reply to armaTeam's 13, giving them a glimmer of hope going into de_nuke. Pistol rounds this time were a lot stronger, with ONE taking both, a strong CT performance meant aT would require 10 rounds in the final quarter to win the tie, but this was not to be. ONE managed to get the 4 rounds they required meaning they move onto the semi finals, and a fixture with Knights of Apocalypse to go with it.

So for those who can't be bothered to read everything above, here's the details from the match:

- ONE vs aT
- ONE's line-up: Righteous, Barely Legal, DArtagnan, Keiju, KhAoS
- de_train: ONE 11 - 13 aT
- de_nuke: ONE 15 - 9 aT
- Overall: ONE 26 - 22 aT

Well played to ONE and good luck in the semi's.

Update

Demo's now available:
