UK CPL Qualifier Registration Now Open

Posted by Myers at 21:06 10/6/2002.

Straight from the VGA website once again:

Registration is now open. Please visit **this page** to register your team. Only the team captain needs to submit this form. Note that after registering your team details you will be asked to send a cheque for the £50 entrance fee to the VGA. Most qualifiers are limited to 8 teams to ensure the one-day tournament runs smoothly so please send your cheques in quickly to avoid disappointment - teams are confirmed in the order that cheques are received in the mail.

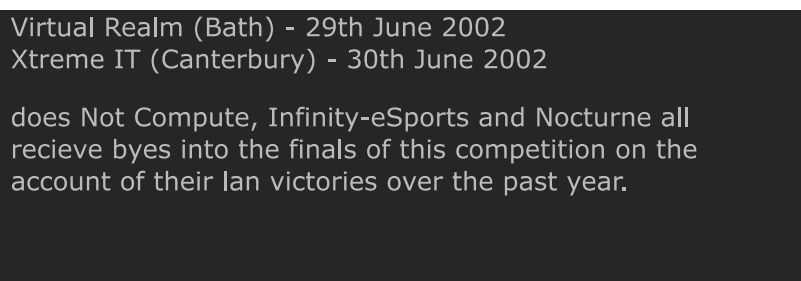

A team of up to 6 players can be registered, with any 5 playing at any one time. There is a £50 registration fee per team and this must be sent to the VGA immediately after registration and venue selection. Priority to venue will be given based upon a first come first served basis of the registration fee.

Also Clan leaders will need to register a user account on this website as part of the registration process. New usernames can be registered on **this page**.

A full set of rules will be published within the next few days. However, we will be adhering to the guidelines provided by iGames and the CPL to ensure consistency wherever possible.

The following VGA centres along with the dates of their regional qualifier are listed below.

PHB 00:48 11/6/2002	Well, without double elim it leaves the games down to luck, which isnt something that anyone wants to see happen. With double elim it means the clans have a second chance should they play bad. [Comment: Report IP: Logged]

PHB 01:11 11/6/2002	Yes, take x3 vs NiP for example Even tough NiP were obviously the better team overall, x3 had a great chance on nuke because it was their best map, if you watch them on train they were nowhere near as good, and they got a second chance, which they deserved [Comment: Report IP: Logged]

XLNC Dr_Evil 01:24 11/6/2002	I totally agree, 2 bad pistol rounds and your more or less out before you get to play. Maybe instead of having double it could me MR 15 making the pistol rounds less important and then the better team on the map should win. [Comment: Report IP: Logged]
PHB 02:20 11/6/2002	MR 15 is a bad idea, since it totally changes the way the games are played and is not CPL rules, CPL rules are double

		elim and lets hope thats what we get [Comment: Report IP: Logged]

	Rhyzz` 13:26 11/6/2002	Not b***hing or anything, but dNC complained to clanbase about not being able to have a national team, because they said they weren't part of the UK. Now they want to go to dallas to represent the UK...make your minds up! If you guys had of been in the 'UK' for the nations cup, with players like Timo and Ajam, the UK team could have been so much stronger... =/ [Comment: Report IP: Logged]	
	-m0o.Rob- 15:24 11/6/2002	"does Not Compute, Infinity-eSports and Nocturne all recieve byes into the finals of this competition on the account of their lan victories over the past year." isn't this similar to saying "France are automatically in the final of the World Cup because they won 1998" :o I b***h far too much :o [Comment: Report IP: Logged]	
	Messiah Game2XS.Monkey Magic 15:32 11/6/2002	No, it aint If you said "France are automatically into the World Cup Finals cos they won 1998" then it'd be similar [Comment: Report IP: Logged]	
	PHB 15:59 11/6/2002	First off let me explain something very simple Republic of Ireland is not part of the UK The UK is the United Kingdom Secondly there is no "UK qual" just for the UK. There is qualifer held in the UK which any clan from anywhere	

		can attend. If NiP wish to come down to play they can do so, as 3D could also. The only thing the qual can do is not give a bye afaik, which is totally allowed. [Comment: Report IP: Logged]	
	DArtagnan Infinity-eSports 16:16 11/6/2002	Yeah any team can go to any quals. aAa were thinking about coming over here, but having to go to a prequals put them off. [Comment: Report IP: Logged]	
	Myers Saviour of UKT UKTerrorist 16:20 11/6/2002	actually 3D can't cos they've already qualified at a U.S regional :D [Comment: Report IP: Logged]	
	PHB 16:21 11/6/2002	Well excuse me mr. myers, im a stiff arse :P Any team that hasn't yet qualified can qualify anywhere, its a great system, it even gives teams from madagascar a chance to qual :) [Comment: Report IP: Logged]	
	Eagle 16:44 11/6/2002	Ireland should have their own qualifier...bah! Friggin cpl. [Comment: Report IP: Logged]	
	Messiah Game2XS.Monkey Magic 17:50 11/6/2002	Maybe the wording needs a little alteration. The Winning team will be given flights and accomodation to compete as the UK Representatives in the CPL Summer Championships held in Dallas in July. It'd be really funny if the UK rep was French :P But dont get me wrong, more quality teams the better, should be a good qualifier [Comment: Report IP: Logged]

	-m0o.Rob- 18:39 11/6/2002	yeah true mess i was just being a nobhead ;D [Comment: Report IP: Logged]	
	Marcus calibre 19:13 11/6/2002	If a clan from another country came over here to qualify tho, surely their flights would be from UK to USA, so they'd have to pay to get here by themselves =] [Comment: Report IP: Logged]	
	PHB 19:15 11/6/2002	I suppose so, but it would still cost a hell of a lot less for say an dutch clan to fly to england	

		and then geta free flight to dallas, than a dutch clan flying straight to dallas on their own. [Comment: Report IP: Logged]	
	iron 19:51 11/6/2002	debateable phb, theyd have to get over here for the regionals + pay for accomdation etc... and then if they get through they have to come back for the next stage, maybe it might well be cheaper just to get flights to dallas?:) [Comment: Report IP: Logged]	
	Messiah Game2XS.Monkey Magic 19:57 11/6/2002	nah it wouldnt [Comment: Report IP: Logged]	
	iron 20:01 11/6/2002	eco class plane tickets to dallas cant be that much, and cant u sleep on the floor or sommit at dallas? [Comment: Report IP: Logged]	
	PHB 20:26 11/6/2002	Maybe you havn't worked it out iron but a trip to dallas would roughly cost 8 grand, give or take a grand or two. However two trips to the UK would cost about 2500 [Comment: Report IP: Logged]	
	blank. 20:33 11/6/2002	flights to dallas dont cost 8 grand [Comment: Report IP: Logged]	
	PHB 21:00 11/6/2002	for 6 ppl from ireland, you work it out, and I'm talking in euros so. Also that includes hotel [Comment: Report IP: Logged]	
	iron 21:02 11/6/2002	ur right it costs about £600 each, also i you were to do 2 trips to the uk it would cost around 100 for both excursions, so thats £500 to get here collectively, providing they win theyll then have to pay for tickets to the uk again to take the plane light from london to dallas, which will cost again around £100. so your right, it would be cheaper to come to the uk and qualify, but you arent gonna neccesarily win the quals, isnt it just better to not risk wasting your money and *thinking* your gonna qualify and just fly straight to dallas, also were those figures for flying in Airforce One or something?:) [Comment: Report IP: Logged]	
	PHB 21:35 11/6/2002	well, no, once again I must say your mistaken You see, in ireland, we have two airlines, ones s***ty and	

cheap, ones s***tys expensive but flys outside the EU.

So to get to dallas you'd need to get a flight with the expensive one, which works out to roughly 1000, depending on the way you fly.

so thats 1000*6, then you have hotel costs for 3 days, which is about 300 quid, assuming you share, then you add in food, which is about 200, then theres the fact you have to qualify, which you may not, resulting in a trip home after 1 game.

So personally I'd go with the UK quals but if you want just pay mag8 over to the CPL dallas :)

btw, I'm forgetting something that we'd have to fly to the UK first, to get flight to dallas, which again costs more.

than a dutch clan flying straight to dallas on their own.

I was basing this on flights from amsterdam, by british airways, and uve said exactly what i said over again, and proven me right, and whats this got to do with mag8?

and like i said you can sleep at the floor at the venue, and im sure you can survive on McDonalds for 4 days, which costs...£20

But when given the option, they have a 1/3 chance of winning the cpl quals, and would be far better to sleep in a nice hotel, if u've been to an i-series, sleeping on floor for a few days is hardly comfortable.

true, but theres only a few teams capable of actually winning it.

We realised late on that DNC were not from the UK (southern rather than northern Ireland), so we're just discussing what to do about this. Yes our original idea was to make this a UK-only qualifier, however in the

past teams from outside the qualification country have been allowed to play, so this needs some thinking.

First of all clanbase is seperate from the cyberathlete professional league. Irish players were never picked for the UK team in clanbase nations even before Ireland were allowed play.

However The Playing Fields was in charge of UK & IRE for CPL Europe. It isn't as simple as saying oh don't let .dNC play kus they ain't UK. With CPL Europe the UK/IRE situation is a mess for Quake and CS as ppl who know will find out. It hasn't been addressed properly for the last 2-3 years.

I seem to recall when there wasn't going to be any qualifier in UK that you guys were prepared to come to dublin and there was no posts saying you couldn't come. I don't think IRE can exclude UK teams from any of our qualifiers as the UK/IRE is still seen as one for the CPL.

Verifyor, noone is making it as simple as 'dont let dNC come', as Sujoy said...

'Yes our original idea was to make this a UK-only qualifier'

It was there original idea, but because you are good on lan, he has chosen to think about wheter to let you play or not.

I think Sujoy is on your side atm...
