ONE More Win

Posted by Ripper at 23:08 14/10/2002.

Earlier tonight ONE took on t0nga in the Clanbase Opencup Fall 2002. This division 1 fixture took place on de\_prodigy and de\_cbble with ONE looking to continue their winning streak after the recent victory over r1sk.

They did this superbly, winning 31-17. This win puts them top of group B, and with the recent addition of KhAoS, ONE must surely be one of the favourites to take the cup.

Update: Check the report here.
