World Cyber Games UK - Qualification

Posted by Myers at 14:47 15/9/2002.

A slightly altered tournament format has been decided upon for the Samsung World Cyber Games UK. Taken from the WCG UK website:

"The Counter-Strike tournament management is a little more complex due to the sheer number of teams wanting to take part! The grand final will take place over two separate days, so please read the information carefully.

There are four fully berthed teams that do not need to qualify. Infinity-eSports and Clan One receive berths for their distinguishing performances at the last VGA tournament. Also two VGA national league teams will receive berths (TBA). These four teams do not need to take part on Saturday, instead they should arrive on Sunday 6 October 2002 morning at 9am.

The blueyonder online CS WCG qualifier will produce an online Counter-Strike winner. This team also only needs to arrive on Sunday 6 October 2002 morning at 9am to take part.

There are offline VGA Gaming Centre qualifiers also take place on this coming Saturday. Winners from VGA gaming centres need to come to the grand final on Saturday 5 October 9am for a gaming centre playoff. Regional winners will play in a tournament bracket of their own to decide a champion team, and that team will win the right to take part on the Sunday 6 October 2002 CS Finals. They will also receive a hotel room to stay Saturday night in London.

All other teams need to arrive on Saturday 5 October at 9am to try and win the last Counter-Strike finals place. All of these teams will be entered into a tournament bracket and the winner will receive the right to take part on the Sunday 6 October 2002 CS Finals. They will also receive a hotel room to stay Saturday night in London."

With over £30,000 worth of Samsung goodies to be won not to mention an expenses paid trip to Korea, this event is going to be intense. Visit #wcg-uk on quakenet if you have any questions.

Raider^ 19:28 15/9/2002	hold up two seconds. Previous VGA event.....the last vga event was the last league finals surely? Can we clarify which event this is they are talking about? Thx [Comment: Report IP: Logged]
Aardvark theb0g 19:29 15/9/2002	A thought occurs... The teams that put the effort in to win their LAN qualifiers get LESS priority than those that turn up on the day, AND those that play in the online tourney?

		The LAN centre winners will in effect have to play an extra leg of matches to qualify (the LAN quals) rather than just turn up at the free for all, which stands to have less quality teams than the centre winners bracket. Am I right, or is there some method to this apparent madness? [Comment: Report IP: Logged]	
	Blackbelt 19:55 15/9/2002	so easiler to go on day and win ? [Comment: Report IP: Logged]	
	Smiffeh Game2XS.Monkey Magic 20:13 15/9/2002	if u win at lan centre i think you get a payed trip to london though : [Comment: Report IP: Logged]	
	Smiffeh Game2XS.Monkey Magic 20:13 15/9/2002	and Raider, last VGA event would be CPL quals wouldn't it ? [Comment: Report IP: Logged]	
	DArtagnan Infinity-eSports 20:14 15/9/2002	I guess that means sunday tournament will be a double elimination tournament. Or with only 7 teams, they could even do a league, where every1 plays every1, depending on how many pc's they have. Though i do know they have a very large tournament area, so it could be possible. [Comment: Report IP: Logged]	
	Messiah Game2XS.Monkey Magic 20:22 15/9/2002	there will be 8 teams, i just know it! [Comment: Report IP: Logged]

	DArtagnan Infinity-eSports 23:40 15/9/2002	Sounds like the biggest tournament (in terms of number of teams) ever held in the UK. [Comment: Report IP: Logged]
	Mathieu 23:40 15/9/2002	Aardvark, the people who pre-qualify will miss the morning qualification, and will play in a play-off with all the other Centre winners. [Comment: Report IP: Logged]
	Mathieu 23:48 15/9/2002	My clan e2 will be travelling to Fragz LAN Centre in Solihull this coming Saturday to compete in the Pre-Quals. If we win that, we will go into the Saturday play-offs in London against all the other winners from pre-quals. If we dont win it, that means we have to try and qualify again, in the morning of Saturday [Comment: Report IP: Logged]
	Mathieu 23:51 15/9/2002	I dont think there are two VGA League clans? "There are offline VGA Gaming Centre qualifiers also take place on this coming Saturday. Winners from VGA gaming centres need to come to the grand final on Saturday 5 October 9am for a gaming centre playoff. Regional winners will play in a tournament bracket of their own to decide a champion team, and that team will win the right to take part on the Sunday 6 October 2002 CS Finals. 	Chris0 00:04 16/9/2002	lol [Comment: Report IP: Logged]	
	Mathieu 00:05 16/9/2002	Ok so e2 falls into either: Winner of VGA Gaming Centre Bracket on Saturday Winner of VGA Free For All Bracket on Saturday Depending on whether we win our pre-qualifier [Comment: Report IP: Logged]	
	Aardvark theb0g 00:08 16/9/2002	Mathieu, my point is you effectively have to qualify twice, and take a harder route at that. Scenario: SO19 win our LAN centre qual. That puts us in the bracket with all the other centre winners. Clan X who we beat in the qual decide to go on the day and qual with the other on the day people in the free for all bracket. SO19 lose out to another LAN qualifier, and bear in mind that the winners of the LAN quals will be good clans, potentially a LOT of top clans will be fighting for one place. Clan X go on to win the free for all, which has a lower overall standard of clans taking part, as the top clans will all have played in the LAN quals and be fighting it out seperately. Its like double elimination, only once you drop into the losers bracket you can just keep going in the 'weaker' half of the competition, without having to play a decider. I suggest it would be better to 'merge' the free for all with the qualified LAN teams at some	

		point, similar to the way CPL deals with autoberthed clans. [Comment: Report IP: Logged]	
	Mathieu 00:16 16/9/2002	Yea i know, but i would think it was the same. Imagine how many clans are just gonna turn up? you will end up probably having to play the same amount of games. I dunno we'll wait and see, but i can see your point clearly. [Comment: Report IP: Logged]	
	Aardvark theb0g 00:19 16/9/2002	Same amount of games maybe, but remember the winners have to play the other winnes, hence HARDER games. The free for all will potentially be minus 16 top teams who are busy knocking each other out of the comp. [Comment: Report IP: Logged]	
	Mathieu 00:29 16/9/2002	Possibly, we'll see heh :) [Comment: Report IP: Logged]	
	emfive 00:42 16/9/2002	Dosn't matter who you play, surely to come first means you've beaten the best anyway? I'm not looking at the prizes now but I though CS second prize was only everglide mousemats(?), or thats possibly third. Participating and giving people good games is the main thing as its pretty obvious whos going to fly to korea at the end of it all. [Comment: Report IP: Logged]	
	shads theb0g 00:57 16/9/2002	everyone's confused me even more than i was when i read the f***ing news post. [Comment: Report IP: Logged]	
	Mathieu 01:08 16/9/2002	Yeah I-eS will go to Korea but its all abou taking part and meeting the people. [Comment: Report IP: Logged]	
	tep0r 09:16 16/9/2002	according to Sujoy there's 6 teams, on the saturday there will be some sort of knockout from what i've understood, where the qualified teams get seeded, and the ones that just turn up dont, this will result in one winner which then goes through to the finals That's what I gathered from talking to Sujoy anyway, who / what's right I dunno /me runs off scared [Comment: Report IP: Logged]	
	DArtagnan Infinity-eSports 10:32 16/9/2002	Sujoy will be right. I guess that makes sence? Saturday there is a qualifying tournament between the lan	

	winner and the people who turn up. In this tournament the lan winners get seeded. As there's meant to be 6 teams on the sunday, i guess the 2 finalists proceed to the sunday. With only 6 teams they could do a league format with every1 playing 5 games against each other. [Comment: Report IP: Logged]
tep0r 12:11 16/9/2002	thats like 30 games, are you insane? [Comment: Report IP: Logged]
Mathieu 12:12 16/9/2002	Yes [Comment: Report IP: Logged]
DArtagnan Infinity-eSports 13:34 16/9/2002	It's actually 15 games. [Comment: Report IP: Logged]
