[ONE]-BL 10:38 15/10/2002	i had to wake up early to pack. Where did your early morning wake up get you alex? [Comment: Report IP: Logged]
DK Stalk Confront Engage Eliminate 11:10 15/10/2002	Yes weakest link got in some how. not saying they aint good enough, but surely one of the team that made it to the final knockout games should have been picked first. Not a team that got knocked out in the 2nd round :((gg CB as per usual [Comment: Report IP: Logged]
Pl@Z 11:12 15/10/2002	Yes before everyone starts moaning Weakest Links did get in. We were asked by admins if we wanted to and said yes (as any other clan that didnt get in would have). I have ahd people come into Irc flaming us already. Blame the admins that make the decisions not the clan for accepting a very good offer made to them. [Comment: Report IP: Logged]
Headshot^Man` Disturbed 11:14 15/10/2002	where are induce?!?! [Comment: Report IP: Logged]
Headshot^Man` Disturbed 11:16 15/10/2002	oh they are in there :D <-- retard [Comment: Report IP: Logged]
Smittins 11:21 15/10/2002	why was it offered to wL in particular then pl@z? [Comment: Report IP: Logged]
Geordie Last Chance 11:22 15/10/2002	We have some very nice looking clans in our group (same as wL) im lookingforward to it even though i have no idea how matches are played, in what structure.. Do you play 1 clan a week on a different map? or all 4 clans in 1 week or what ? cant find any info on cb [Comment: Report IP: Logged]
Geordie Last Chance 11:25 15/10/2002	actually just ignore me i have a cold and im tired i think i found it [Comment: Report IP: Logged]
Pl@Z^ 11:25 15/10/2002	y we are selected ??? I couldnt answer that m8, i got a pm and jumped at the chance. It is the first "big" competition for us and will be a good learning experience for me and my team. [Comment: Report IP: Logged]
DoZ Anti-saviour of UKT	Nowt wrong with wL, sound bunch.

	11:26 15/10/2002	[Comment: Report IP: Logged]
	Cannon 11:30 15/10/2002	Has anyone actually looked at the seedings b4 commenting induce are still in it appears that wL are extra to those which qualified not additional :] [Comment: Report IP: Logged]
	Smittins 11:30 15/10/2002	sure wL are a good team and a sound bunch of lads, its just concerning that they should be chosen ahead of so many other teams who fell at the same hurdle as them and could do just as well, but dont happen to have an admin among their ranks [Comment: Report IP: Logged]
	Cannon 11:30 15/10/2002	additional = instead [Comment: Report IP: Logged]
	P!@Z^ 11:33 15/10/2002	Would be nice for a "good luck or hope u do well" but seems this is not possible. Smiffteh u are so concernd about it yet your team has got through?? Yes I do feel a little bad about accepting the offer as there are some teams better than us that did not get through. But is there is one person here who would actually say nah go give it to someone else rather than play in the competion itself??? I think not. [Comment: Report IP: Logged]
	Cannon 11:34 15/10/2002	Plaz gl btw 🍀:P [Comment: Report IP: Logged]
	P!@Z^ 11:35 15/10/2002	ta 🍀;)) [Comment: Report IP: Logged]
	P!@Z^ 11:36 15/10/2002	Ignore my comment there smiffteh. I wrote that b4 u made the admin post. [Comment: Report IP: Logged]
	Geordie Last Chance 11:37 15/10/2002	wL were selected, other clans werent, there will be b***hing whoever goes through as there is at least another 12 that might deserve it. gl wL and enjoy playing teh foreigners!!! [Comment: Report IP: Logged]
	Smittins 11:37 15/10/2002	i dont think anyones begrudging you a place in the next round, as u say everyone would have said yes (and anyone who says otherwise is a liar tbh :P) it just doesnt do a lot for the competitions credibility if a team which has been knocked out is suddenly offered a place in the next round and

		coincidentally has an admin in the team [Comment: Report IP: Logged]
	Smiffeh Game2XS.Monkey Magic 11:42 15/10/2002	also they were knocked out in 2nd round but ok :) gl? [Comment: Report IP: Logged]
	P!@Z^ 11:43 15/10/2002	I think that would be last reason tbh. Our admin is not active with clanbase, he hasn't even done a match (so he say's, if im wrong it not my fault;P) I know the admins were impressed by our fairness in the problem we ahd with our Ne.UK game in which they used an un-registered player (rule violation). I let Ne.UK go through as we needed one round of last 9 to win and our guys started trying to be clever and lost it. I dont that to teach them a lesson and to close a game rather than P*** about. Other than that i can not give an answer to why we were selected. [Comment: Report IP: Logged]
	Ripper^ 11:49 15/10/2002	He did admin a game, and wrote a small report. If i could be arsed i'd find out which one (next lessons task). [Comment: Report IP: Logged]
	P!@Z^ 11:50 15/10/2002	Just found out reason y in Irc, SPAB is a member and this is his view. (11:49) <SPAB^> yeah (11:49) <SPAB^> why did they pick us btw? (11:49) <SPAB^> is it because Im shagging the wife of the owner of clanbase ;P [Comment: Report IP: Logged]

	Tazzle 13:37 15/10/2002	haha, another "great" clan gets into the opencup, wow. Opencup admins are teh win. [Comment: Report IP: Logged]	
	CuCuCulexus 13:39 15/10/2002	we had one but it was a shame your lame leader CTJackal and Sproglet kept banning half our clan when we were under aliases for "cheating" i remeber sproglet banned me and said i had killled 2 people with awp	

		within 2 seconds(which i didn't) and he started going on how the awp doesnt reload in that time so i must have been cheating [Comment: Report IP: Logged]	
	Headshot^Man` Disturbed 13:39 15/10/2002	LOL he still uses that one today. AWP reload hacks [Comment: Report IP: Logged]	
	CuCuCulexus 13:39 15/10/2002	what does "teh win" mean ? [Comment: Report IP: Logged]	
	Ripper Rush! 13:39 15/10/2002	I highly doubt a CB admin just approached wL out of all the clans and asked them if they wanted the spot. Sorry but your admin-player must have had some input, it wasn't as random as you make out. [Comment: Report IP: Logged]	
	Headshot^Man` Disturbed 13:40 15/10/2002	i dont understand why theres 13 teams now when it was meant to be 12 [Comment: Report IP: Logged]

	Headshot^Man` Disturbed 13:45 15/10/2002	lol [Comment: Report IP: Logged]	
	Tazzle 13:45 15/10/2002	when i say opencup admins im referring to UK/IE [Comment: Report IP: Logged]	
	CuCuCulexus 13:46 15/10/2002	yeh anyway.. so Tazzle, what does "teh win" mean ? [Comment: Report IP: Logged]	
	Ripper Rush! 13:46 15/10/2002	We didn't have problems either, except for the fact that the admins decided to go for a long period of AFKness just when teams needed to submit scores, which was annoying. [Comment: Report IP: Logged]	
	Tazzle 13:47 15/10/2002	i'll post again for the slow ppl at the back,	

	"teh win" "[sarcasm]oh opencup admins are great[/sarcasm]" [Comment: Report IP: Logged]
Tazzle 13:48 15/10/2002	We didn't have problems either, except for the fact that the admins decided to go for a long period of AFKness just when teams needed to submit scores, which was annoying. it took me 3 days to contact an admin. [Comment: Report IP: Logged]
CuCuCulexus 13:49 15/10/2002	is that what it means?! so why is it when people say "i r teh win" they mean "i r oh [sarcasm]opencup admins are great[/sarcasm]"???? [Comment: Report IP: Logged]
Ripper Rush! 13:51 15/10/2002	yes cul [Comment: Report IP: Logged]

Ripper Rush! 13:56 15/10/2002	nope, your completely wrong. Going by tazzle's translation skills it'd be.... "[Jungle]Elephants are unable to view distant objects without interfering with the lifestyle of similar species[/Jungle]" [Comment: Report IP: Logged]

Smiffeh Game2XS.Monkey Magic 15:08 15/10/2002	the fact that he asked a team who got knoced out in the second round and not a clan that got knocked out in the 3rd round is what puzzles me :) [Comment: Report IP: Logged]

Ripper Rush! 15:16 15/10/2002	i didn't mean either of them, thats 3 admins then [Comment: Report IP: Logged]

	P!@Z^ 15:44 15/10/2002	I aint no admin got kicked ages ago for not bothering. And nothing was said by any members of weakest Links to get us in. The offer was there and i took it, same as any other normal person would have. [Comment: Report IP: Logged]

Did they personally shake their opponents hands after the game, send them flowers?? :(they didnt insist on a default win when they could have it by the rules also they arent replacing any UK clan - if an UK clan drops there will be an UK clan replacing it (preferably the one that lost in the last qualifier match against them) Came from the comments section on CB. Now please can we leave this alone as you are just making our team look like we baught our way in when we were just simply asked. and steve-o joined us 2 days ago, I didnt even know he was admin. We just wanna concentrate on doing well, wil lbe ahrd with you lot all waiting to say "told u they shouldnt be there" if we dont play our best. 	Smittins 15:58 15/10/2002	well if u must know, when Edge played ui they wanted to leave early but we gave em all the remaining rounds anyway on prodigy it was 5 vs 5, good game, finished 16-8 to ui unfortunately, for the second map de_train, we only

		had 4 as one of our guys connections went down : obviously they owned us as T, 11-1, and wanted to leave after 3 rounds of CT, we gave em the rest of the rounds anyway as we knew they'd have won them against our 4 players. was that taken into account? [Comment: Report IP: Logged]
