ONE Send CTF Packing

Posted by NoToRiOuS at 01:40 16/10/2002.

Flying the flag high for the UK, ONE showed Spanish clan CTF how we Brits play Hardball. First map, de\_dust2 on CTF's Spanish server. ONE fought a hard battle against choke and loss to end the map down by 4 rounds (10-14).

Second map was de\_train and controversy arose. CTF wanted to continue the game on their Spanish server. Luckily an EC admin was at hand and over ruled it and ordered the second half to be played on an UK server. With no choke or loss, ONE turned on the style winning de\_train 23-1.

Final Score:

ONE 33 - 15 CTF
