omg! Announce New Team

Posted by Ripper at 22:01 18/9/2002.

Online Multiplayer Gaming have today announced a new lineup to compete with the best in the UK and Europe. Landshark, recently part of Nocturne when they folded, has joined up along with ex F2B and np star Fred. Here's the official statement:

Team omg! announce v2 relaunch

Today omg! announce the creation of a bigger, better Team Online Multiplayer Gaming! We have a new look team, and a brand new site <http://www.omgteam.com>. The site is bing added to constently and will soon open user registrations and community aspects - so check back regularly Now, onto the team...

omg! are proud to announce its new look LAN first team:

m0rph - KaM - Sarge - Fred - landshark - craig

As you can see,we have 2 new additions, omg! its landshark and omg! its Fred. Both players are known and respected, landshark from ui and noc, and fred from f2b and np. Both have trained with us and are working well with the team. Please welcome them in irc. The have been recruited for two reasons, first to add to the team quality and second to provide active LAN and online players to step in for Bror, munk and Baal who are semi active due to outide concerns.

For more information on the team and its new launch visit our barand new website <http://www.omgteam.com>.

Good news for the UK CS scene in general, as these additions are only going to make them stronger.
