D0es N0t C0mpute Retain BWCSL Crown

Posted by Ripper at 09:33 26/7/2002.

dNC have once again managed to finish top of division 1 in the Barrysworld Counter-Strike League. Throughout the season they took part in close encounters against erm:cs and 6k, before eventually losing their unbeaten streak in a defeat against NS. 6k came close, only finishing a single point behind the CPL UK Runners-up. For their troubles, dNC win a clan server for 3 months.

In other divisions, Snipers Alley managed to take the division 2A crown, while the Belgian clan Fearless closely beat Blacklight to the 2B top spot.

Another good season from the BWCSL, look forward to more soon. Also, look out for my end of season roundup which will appear soon.

Next season is gonna be good. Kensai from Div 3C move up, and after beating Snipers-Alley @ the CPL Qualifiers and beating PP in a PCW, who knows what's going to happen! Gonna be a good season

P.S. Cannon^Fodder from Pr0, I'm gonna get you!

Badminton league for school, Table tennis league and Sportsman of the year. I also won 25quid at a local LAN so im pretty proud of what I have achived ACTUALLY. So back off. I personally would prefer for the top uk teams to play in the league simply because on a whole the more other teams play teams like this and get better / improve ect the greater chance we have of finding more talented players who otherwise would just be stuck at a lower level purely because they cant get a chance to shine on a bigger stage. just my 0.0222 euro's [Comment: Report IP: Logged]
