KhAoS "removed" From Nocturne

Posted by Myers at 14:21 28/5/2002.

After some poor lies denying it Nocturne have officially announced KhAoS' departure from clan Nocturne on their website. This is what Nocturne had to say

Yesterday KhAoS was removed from Nocturne. Due to reasons which don't concern you, he is no longer part of Nocturne. We are sad about it but feel it will be for the best. Good luck to Tom wherever he goes, and hope there isnt any problems like we had with the RTCW :)

We dont know if we'll recruit anyone to fill the space, maybe if the right person eventually comes along but not just at the moment.

Rumours suggest that KhAoS will be replaced by an inactive, well established, Noc player.

I caught up with KhAoS for to get his thoughts

i am no longer in noc, and i am quitting playing serious cs, my bad attitude, has annoyed too many people in the cs community to be tolerated any longer. So to those who i have irritated, i would like to apologise and hope that i won't bother you again. I'll just play for MMX for fun over the summer, then when i move in august, i won't take my pc with me.

I have personally met KhAoS in real life on more than one occasion and can testify that he's a great guy and I wish him the best of luck in the future.

KhAoS has always been a t**t ;D j/k I think it's good that you're prioritising other things in life than cs, have fun :)

	PHB 20:41 28/5/2002	Yes but how you got the news doesn't really matter. Your meant to report the news, not take sides and you saaying "poor lies" is showing some sort of bitterness and achievment about how you got the true story, which was fairly hard to find out about tbh like, super hard, and also that you had beaten em at their lying. 	PHB 13:53 29/5/2002	mmkay then, you should think about this though for a second. Do you see on Sky News, say after the september the 11th bombings, them saying "After asking Billy Bob in the pentagon and then Joahan mitchell, who put me on hold for 20 minutes, and then tranferred me to Ciara Murphy, who was quite unhelpful and cut me off. So I rang up again and found out she was an intern and talked to John Jones who told me that there is a fire in the pentagon." No, its "Sky news has confirmed there is a fire in the pentagon" [Comment: Report IP: Logged]
