Open Cup Results

Posted by Ripper at 23:04 30/9/2002.

After last nights Eurocup action, tonight saw the turn of some Open Cup participants to fight it out. ONE, in group B of division 1, managed a quality 25-23 win over German clan ri\$K. ri\$K started extremly well, winning the first map 15-9, but the 2nd map saw a radical change as ONE managed to hold the German's to 6 as T on inferno, and then the 2nd half saw them coast to a 10-2 victory, giving them an overall 25-23 win.

Also taking place was the UK/IE qualifiers, and from what I know tR, 6K, SODA, Disturbed, erm:cs, uninspired and O:i all managed to win their games. Feel free to post any other results in the comments.

ui match was great, awesome aims from the ui chappies, great fun :]

was 16-8 to uinspired after prod, only our second proper war together and our first on prodigy, we did ourselves proud i thought o/

highlight for me was being left against 4 ui and begging them to let me kill them all cos i'd be a fookin hero, i killed 3 then houd killed me :D :o

anyway onto train we only had 4 players but we fought on, ui started messing about a little - unless Puns double HE TK was an accident :D - and we went FFA and just larked around too

gg ui, upload ur demos somewhere so i can see how u ak burst so damn well :]
