	We won pistol and the next two rounds. The 4th round we killed all but 1, 4v1 the last guy killed us all after a misunderstanding would have been nice to win that round and put it good for the next :/ nm 13-3 was ok i guess  :) [Comment: Report IP: Logged]

arma 18:35 30/11/2002	the event was good, good experience and fun :D GG were awesome, and the first half vs iLLu was good but then we f***ed it up royally in the second half when we probably should have won the game after getting 5 rounds, but nm they owned us second half :D. I forgot to take a mousemat so my dual optical wouldnt turn properly so i kinda had to aim at a set height and hope they ran past me :(and logitech win98 drivers = poo [Comment: Report IP: Logged]
G 21:39 30/11/2002	Wonder what peoples excuses were if they played crap? :) wasnt on XP! [Comment: Report IP: Logged]
