basically, ONE lost the ct pistol and the 4th round. Sadly they just couldnt recover. Khaos did some nice work, but couldnt pull the a few extra rounds back.

bl ONE, hopefully they'll bounce back for the next game.

It also must be said that aT were faultless.

Puneet- 17:47 30/11/2002	just had the funniest game ever. Playing disturbed on train, win ct 11-1. Win terrorist pistol round. Then we did a 5 man rush ladder for fun and got totally screwed. Then they held well whilst we cried and got 8 rounds in a row before we got the one we needed, nearly a mirror of the wcg performance vs ONE :< kudos to disturbed, they've shown themselves to be easily up to par with teams like erm and stuff. Think the abuse against them should be toned down a bit. As for iLLu, they all had good aim and i think just tactics let them down, seeing as tho they've hardly played together, it's expected.
