Messiah Game2XS.Monkey Magic 19:27 31/12/2002	good enuff reason, ill allow you to go [Comment: Report IP: Logged]
LordOfBlood 19:28 31/12/2002	DoZ you seem to missed out one of the key bad points about living in Rotherham. Its a lot like Royston Vasey, you will never be allowed to leave the country now so a trip to Gay Paris is a long long way out of your reach :) LoB [Comment: Report IP: Logged]
DoZ Anti-saviour of UKT 19:31 31/12/2002	But... but... my love for Myers [Comment: Report IP: Logged]

DooMeh Lite 19:32 31/12/2002	that wud be fun.. only half of the ppl on the coach wud 'smash each others face in' cuz they didnt get to sit next to who they wanted to on the 'choose ur paris cpl coach seats ukt thread' if that made no sense, i started early, f*** it flame me [Comment: Report IP: Logged]

Ripper Rush! 19:56 31/12/2002	anyway, geordie what do you remember of the final at i14 vs barcodes? I'll tell you what I remember: *console comes down* *geordie lowers rates* *Turns around, "This isn't config hacking ripper before you say anything"* *Messes with rates a bit more* *rates rates rates* and smiffteh, illu have been to 3 important lans now yes? when have you ever not sol'd ? love you both really but i just thought of those things ;x [Comment: Report IP: Logged]

Geordie Last Chance 20:03 31/12/2002	was on 101 101 lowered to 81 81 to 81 101 yet nothing registered, houd told me he checked demo after match they were using 51 update etc, hence my rate changing was just but ineffective on s***ty servers/network :/ Like i said not configging :) i stood behind alot of ppl who did it at i14 so please dont be silly when ur not too sure what ur talking about just allow it, :)

Gryff 05:02 1/1/2003	the Myers on nuke demo is vastly amusing, the music really adds to it.
	Also ED is a LADDER, not a league, hence it doesnt qualify.
	Besides that, all ladders are inherently poo, as clans can just turn down people they know will beat them, and just keep playing easies.
	[Comment: Report IP: Logged]

Gryff 07:03 1/1/2003	That said, why the f*** is clanbase ladder on :-] [Comment: Report IP: Logged]

j0nb0y 01:34 5/1/2003	Player of the year - Dartagnan: Started the year with a crumbling clan noc to become a key figure at the UK's best ever international performance by IeS at CPL Summer 02 to a good individual performance at a slightly disappointing WCG 02. All in all definitely deserves some recognition for his superb skills and for taking everything that has happened much better than anyone else would have. Clan of the year - ONE: No-one knew who they were in 01. Sniper of the year - Wright: Has done a great job as sniper for IeS and running the clan of course. Most improved clan - ONE: As above Most improved player - m0rph: Hardly knew who he was before his performances this year, now definitely one of the UK's consistently good players. Game of the year - Warcraft III: What else is there? Tournament of the year - CPL Summer 02: Ran well as USA CPLs always are, but a superb

tournament all in all with IeS
doing the UK proud.
Best international player -
X3|Kim: For being the most
consistent and best player of
CPL Winter 02.
Best individual performance in
a game - Luck1ng vs ONE WCG
Quals
Sponsor of the year - Intel for
4K
Internet league of the year - Is
there such a thing as a credible
Internet league?
Best UK-Produced avi - ONE
Best clan website - Who cares?
