Team UK vs. France

Posted by Ripper at 13:40 1/5/2003.

After much debate we've finally sorted a date for Team UK's first Nations cup match vs Team France. Here're the details:

- **Date:** Saturday 3rd May
- **Time:** 8:00pm
- **Maps:** de_dust2 & de_prodigy
- **UK Lineup:** Righteous - ShaQ - Toomy - Keiju - bob

There are bound to be scorebots and HLTV floating about somewhere so hang about in #team-uk.cs Saturday to find out.

The english are usually best described as "Arrogent b*****s" alex.

The thing I found funniest about the last was the UK reffered to as "England", even by the clueless clowns that call themselves "admins", after godsmurf wrote a 3 billion word essay on how there was no Scotland/England/Wales/Republic, only UK.

Carb theb0g 01:37 2/5/2003	Looks like a solid team put up by UK, should be a good match. Can't wait to watch the demos when I get back from London this weekend =] Just a reminder to the UK players that are in the team that might read this, can you record personal 'in-eyes' demos because they're more interesting than HLTV = [Comment: Report IP: Logged]
Carb theb0g 01:53 2/5/2003	Just laughing my ass off at coming up to 2am with a slightly drunken haze over my eyes at this s*** alex has been spouting. Plenty of people besides the English and rest or Britain hate the French. They're one of the least popular nations in the World so you're pretty far from hitting the nail on the head there. As for the Portugese and Spanish, ask any f***ing fisherman with a boat about them...pretty hostile waters between most fisherman and Spain, Portugal and France and if you need to ask why you're more stupid than I anticipated. Just to re-iterate as well on the Portugal and Spain being just as powerful comment...you really don't know much about history do you? Ever heard of a small thing called the Brittish empire that happened to have been the biggest empire and most powerful

state the World has ever seen?
No didn't think so. Maybe you should get your facts straight before talking s*** about something you have no clue about. I also couldn't care less whether you are bothered about knowing history etc...anyone that makes a f***ing dumbassed remark like the ones you have made should go back to school and be re-educated. Irish or not, doesn't excuse the fact you're a moron.
