ONE Go Multigaming

Posted by St_George at 21:08 2/5/2003.

I've just been informed by ONE|Iccy that top UK clan ONE have decided to follow a lot of other counter-strike teams into the multigaming world. ONE have now got both Day of Defeat and Warcraft 3 sections added to their cs team. Here's what Iccy had to say:

ONE|Iccy: clanONE have decided to take the dive into Multigaming with a Day of Defeat and Warcraft 3 sides. Welcome SLAG as ONE.DoD and Pureball as leader of ONE.WC3

With both top rivals 4K and omg! having multigaming teams, this will no doubt keep clanONE right up there as one of the best gaming teams in the UK and more?

	DoZ Anti-saviour of UKT 10:17 3/5/2003	Or the most recognised. Marty is a f***ing awesome player who has been getting very good very fast. I'm sure that as soon as he gets the lan experience and settles into his game a bit more you'll see that he is very adept - and he is a randomner [Comment: Report IP: Logged]	
	Jolleh Team56 10:50 3/5/2003	cant beat a bit of random! [Comment: Report IP: Logged]	
	Smiffeh Game2XS.Monkey Magic 11:10 3/5/2003	Nick^ Tillerman, is the wc3 beta champion and also considered as the best alround player. The man every1 wants to beat. In wc3 u have 4 races with each different attributes and pros & cons. Tillerman always plays random. meaning he is master of all 4 races. kinda what sets him apart. yes TillerMaN was the beta champion but that was almost a year ago and he has fallen behind a lot since then and is most definately not considered the best all round player. He has good micro but all his strats are lacking and he always seems to be behind in the latest "abuse" strats. The part about him being random, nearly all the races are very versatile except maybe undead so saying that they all have their pros and cons is a bit silly and by using random means that none of his races are mastered compared to the other one race players but hes now realised this and went the no-skill night elves :) [Comment: Report IP: Logged]

callous Specster 13:01 3/5/2003	stfu i seen some tillerman demos and he is a f***ing good night-elf player. he uses ancients of war (walking barracks) like an army of walking trees (last march of the ents) fkin impressive imo [Comment: Report IP: Logged]
Smiffeh Game2XS.Monkey Magic 13:03 3/5/2003	yes but he started using them a lot later than everyone else and DoTs started to be used. [Comment: Report IP: Logged]
Smiffeh Game2XS.Monkey Magic 13:04 3/5/2003	TillerMaN's shoutcast are the best tho and give the most insight in to how he plays unlike some of the otehrs there who just give a description of whats going on he tells you why hes doing stuff which is very helpfull. [Comment: Report IP: Logged]
Nomak 13:13 3/5/2003	There are actualy 'mannered' players. They dont abuse imbalances to win, its not because they dont know all the latest strats or the 'abuse strats', Tiller, CrazyAssasin, all the top Korean players and about 90% of the asian realm who arnt lame enough to try

	and win by just abusing as much as they can. [Comment: Report IP: Logged]
Smiffeh Game2XS.Monkey Magic 13:19 3/5/2003	Tiller abuses all the time hes just always behind in the times and enjoys moaning about it but still doing it. I'll agree about most of the korean players but nearly all Night Elf players abuse. MagicYang = bad [Comment: Report IP: Logged]
