UKT BATH CLANS

UKTERRORIST.COM FOR THE LATEST CS NEWS

UKT Bath clans

Posted by Myers at 09:41 3/4/2003.

It seemed fairly dumb to phone all the teams up and tell them their application to compete at the UKTerrorist Bath event had been accepted, especially since the odds are they read UKTerrorist anyway. Below, in no particular order, is the list of confirmed clans, mainly selected by the time of application.

- Imminent
- Last Chance
- Online Multiplayer Gaming!
- pummelhorse uk
- Gun Lovin' Tactical Criminals
- Fightclubclan
- Professional Gamer
- Barcodes
- Maim
- Xtra
- Forsaken
- Obsessive

Due to a few time restraints we had to cut the number of teams down from 16 to 12. If a team drops out one of the teams on the waiting list will take the spot. The waiting list is as follows:

1. o8s
2. Traitors
3. so19
4. Twisted:Reality

My apologies to the teams that applied and are not listed above, next time you'll have to get in there a bit sooner! All spots were taken within hours of the signup form going live on Saturday. If any of the above teams are unable to attend the event please contact me as soon as possible.

UKT Bath clans

Posted by Myers at 09:41 3/4/2003.

It seemed fairly dumb to phone all the teams up and tell them their application to compete at the UKTerrorist Bath event had been accepted, especially since the odds are they read UKTerrorist anyway. Below, in no particular order, is the list of confirmed clans, mainly selected by the time of application.

- Imminent
- Last Chance
- Online Multiplayer Gaming!
- pummelhorse uk
- Gun Lovin' Tactical Criminals
- Fightclubclan
- Professional Gamer
- Barcodes
- Maim
- Xtra
- Forsaken
- Obsessive

Due to a few time restraints we had to cut the number of teams down from 16 to 12. If a team drops out one of the teams on the waiting list will take the spot. The waiting list is as follows:

1. o8s
2. Traitors
3. so19
4. Twisted:Reality

My apologies to the teams that applied and are not listed above, next time you'll have to get in there a bit sooner! All spots were taken within hours of the signup form going live on Saturday. If any of the above teams are unable to attend the event please contact me as soon as possible.

Myers Saviour of UKT UKTerrorist 16:01 3/4/2003	u filled in the application on saturday morning eh?..before it was put up...impressive!.

In Pro-gamer's case...they signed up later than some of the teams that aren't on the list, however they came with about 12 hours notice for the last event so this is basically their reward for doing so + i am certain they will definatly turn up.

As with the other teams i think Forsaken applied really early and i tried to call them a couple of times but never got a reply so wasn't sure on them.

Also when selecting teams I have to consider which teams are actually gonna attend the other events and not just this one. Of course the skill of the team sadly also comes into account when selecting which teams can attend. All the teams actually selected though signed up within a matter of hours of the signup form going live on Saturday.

This much is true. I do enjoy reading some of the
flames on UKT, especially when they get to the
"CU@LAN f***ER" stage. Always good for a laugh
that one, you meet the person in real life and
they're nice as pie (That's my impression of it

If u think im a prick online, then u'll think im a
prick offline/irl. Why is that, simply because I'm
the same person both on and offline. Ill voice my
opinions in exactly the same way to the majority of
the uk cs community be it online or off.

The people that have met meirl and online that

UKT Bath clans

Posted by Myers at 09:41 3/4/2003.

It seemed fairly dumb to phone all the teams up and tell them their application to compete at the UKTerrorist Bath event had been accepted, especially since the odds are they read UKTerrorist anyway. Below, in no particular order, is the list of confirmed clans, mainly selected by the time of application.

- Imminent
- Last Chance
- Online Multiplayer Gaming!
- pummelhorse uk
- Gun Lovin' Tactical Criminals
- Fightclubclan
- Professional Gamer
- Barcodes
- Maim
- Xtra
- Forsaken
- Obsessive

Due to a few time restraints we had to cut the number of teams down from 16 to 12. If a team drops out one of the teams on the waiting list will take the spot. The waiting list is as follows:

1. o8s
2. Traitors
3. so19
4. Twisted:Reality

My apologies to the teams that applied and are not listed above, next time you'll have to get in there a bit sooner! All spots were taken within hours of the signup form going live on Saturday. If any of the above teams are unable to attend the event please contact me as soon as possible.
