

Team-UK 20 - 28 France

Posted by arsen at 23:00 3/5/2003.

Team UK have just suffered a disappointing loss against France in their CB Nations Cup fixture. Despite some decent team-play, the team suffered a glum half on de_dust2. However, thanks partly to a great display by bob, the lads managed to keep it tight on de_prodigy, winning with 2 rounds to spare.

- **Team-UK Lineup:** b0b, Keiju Righteous, Toomy, ShaQ
- **France Lineup:** Baldours, BlanKa, OliGan, latOr, MaYeRs
- **de_dust2:** 7 - 17
- **de_prodigy:** 13 - 11
- **Overall:** 20 - 28

Well played to both teams, although the UK lads will be a bit disappointed with losing after a fairly solid display.

deebo Mel Gibson UKTerrorist 23:04 3/5/2003	Alot to be taken from the game really, and hopefully we can build on it for the remaining games. I dont think anyone can be too disappointed with the result, perhaps only gutted we lost in such fashion I only seen prod and b0b was great, as always. Toomys pings were pish-poor, but what can you do. ShaQ looked good too, squashing the murmours of him not being good enough for the setup. UL lads, better luck next time. Well played.
