How Disturbing!

Posted by Ripper at 20:02 3/6/2003.

As the title suggests, Disturbed are back in business. After Geordie, duck and WaZ's recent clans didn't quite work the way they hoped, they've each come together and along with former members DoZ and Wolfeh, reformed Disturbed, bringing in Pallan as well. Incase you didn't keep up with what I just wrote, here's their full lineup:

DoZ - Geordie - duck - WaZ - Wolfeh - Pallan

Obviously these guys will present more competition at LAN's and like the old Disturbed they'll no doubt prove tough opponents for the top UK clans. **#disturbed.cs** is where it's at.
