## UKT-X / WCG Update

Posted by Protex at 13:39 3/9/2003.

As UKT-X and WCG draw increasingly closer I can now release the seedings for UKT-X while Myers takes care of everything in London. The seedings for WCG will be released Friday morning at the event along with initial match fixtures.

The seedings for UKT-X are:

1. clanONE
2. Disturbed \* de.nVidia
3. theb0g
4. tR
5. Blacklight
6. Harmless
7. Pro-Gamer
8. reSonance
9. SODA
10. TORMENT
11. Online Sports
12. -

At present there is 1 space spare for UKT-X, if you think your team were on the list or would like to be included please contact me on IRC and we will see what we can sort out. If no teams come forward the top seed will receive a bye into Round 2.

The initial fixtures for UKT-X, played on de\_inferno are as follows:

- clanONE vs. - (bye)
- Disturbed vs. Online Sports
- theb0g vs. TORMENT
- tR vs. SODA
- Blacklight vs. reSonance
- Harmless vs. Pro-Gamer

Good Luck to all teams involved, and remember to be at the venue in Shepherds Bush for 9:30.

## UKT-X / WCG Update

Posted by Protex at 13:39 3/9/2003.

As UKT-X and WCG draw increasingly closer I can now release the seedings for UKT-X while Myers takes care of everything in London. The seedings for WCG will be released Friday morning at the event along with initial match fixtures.

The seedings for UKT-X are:

1. clanONE
2. Disturbed \* de.nVidia
3. theb0g
4. tR
5. Blacklight
6. Harmless
7. Pro-Gamer
8. reSonance
9. SODA
10. TORMENT
11. Online Sports
12. -

At present there is 1 space spare for UKT-X, if you think your team were on the list or would like to be included please contact me on IRC and we will see what we can sort out. If no teams come forward the top seed will receive a bye into Round 2.

The initial fixtures for UKT-X, played on de\_inferno are as follows:

- clanONE vs. - (bye)
- Disturbed vs. Online Sports
- theb0g vs. TORMENT
- tR vs. SODA
- Blacklight vs. reSonance
- Harmless vs. Pro-Gamer

Good Luck to all teams involved, and remember to be at the venue in Shepherds Bush for 9:30.
