Bits & Bobs

Posted by Dev at 13:56 4/9/2003.

- Tonight the clans invited to the 8th EuroCup will be announced in #eurocup from 21:30 CET onwards (8:30 PM our time). With no LAN finals looking at the list of clans who applied to be in the EC this time round expect a few surprises.
- Gamers.nu has put up two short Q&A's one with Brunk and one with Xenon from 4Kings who will be playing for Adrenaline (ex Team9) at the Swedish WCG qualifiers. Here is a quote from the Xenon interview:

If we twist it a little then, what opposing teams do you think are in position to put some serious threat to 4Kings at the UK WCG qualifiers?

Xenon: Perhaps ONE. I think we dominate the U.K. scene at the moment and would be very surprised if the boys do not qualify to go to korea.

- CyberFight has reported that the 2004 WCG will be held outside of Korea for the first time and will instead take place in San Francisco.
- IGN are reporting that at last weeks ECTS which took place in London, Doug Lombardi was quoted as saying that HL2 will become available for the PS2 soon after general release on the PC.
- TheCPL have released their 2004 schedule with slightly more information on the Summer and Winter 2004 events now available. As well as this they inform everyone that the Winter 2003 event will now be full double elimination.
- City17 have created an unofficial HL2 FAQ. Check it out if you're unsure on any small details released so far about the game. Most seem to be accurate according to PHL.
- A fake Gabe Newell Interview for you to peruse if you fancy a small giggle on this Thursday afternoon.
