UKT CS Personality Of 2002

Posted by Ripper at 15:09 5/1/2003.

After the majority (43%) hoped to receive an inflatable Myers for Christmas, its time for another poll. This week we ask you who you think is the "UKT CS Personality Of the Year". Here's some details on the candidates:

- **AnNuM** - AnNuM had a pretty quiet 2nd half of 2002 until he recently joined bullet and took part in Team-UK. On many occasions you'll see him offer those sarcastic comments we all love like "wow! bet it was really hard to win this!". He's always a favourite topic of discussion.
- **bOp** - The digital edge star made his mark on UK CS with a quality showing on the UKT public servers where he managed over 40 kills on one single map. This moment single handedly made him a known figure on UKT and one can only expect good things from him in the future.
- **DArtagnan** - A successful year for the former Infinity-eSports player, picking up prize money left right and centre. After a short period with ONE he's now rumoured to be on his way to another top UK clan. He was also a part of Team-UK in THAT game against Sweden.
- **Demo** - If you haven't read the flames aimed at this guy then where have you been this year? Controversy surrounded the tR star when he was chosen to represent Team-UK, and after making only a single appearance it'll be interesting to see if he's selected next time around.
- **DK** - One of UKT's comedians so to speak, DK always offers those enjoyable insults, and unless you're Hav0rs you're bound to find them hilarious. He narrowly missed out on becoming Team-UK captain, but England.cs was a different story and their currently ahead in the XGC Nations.
- **Messiah** - One of UKT's most regular visitors, Messiah is constantly making people laugh with his hilarious and well thought out comments. He's certainly a favourite of most people and never holds back with the constant Rhyzz jokes.
- **Neffgen** - Captain of an unsuccessful Team-UK, but a respected figure in UK CS nonetheless. Pleasing many with his quality commentary of the World

Cyber Games "j0nb0y" will no doubt remain an important part of UK CS for the foreseeable future.

- **Rhyzz** - If you havn't been insulted by or insulted Rhyzz, then you must have been hiding under a rock for the past year. The bullet leader is always at the centre of jokes, whether aimed at him or others, who can forget the AVI of Rhyzz (a fake version nonetheless) immitating HeatoN.

There you have it, get voting!

UKT CS Personality Of 2002

Posted by Ripper at 15:09 5/1/2003.

After the majority (43%) hoped to recieve an inflatable Myers for Christmas, its time for another poll. This week we ask you who you think is the "UKT CS Personality Of the Year". Here's some details on the candidates:

- **AnNuM** - AnNuM had a pretty quiet 2nd half of 2002 until he recently joined bullet and took part in Team-UK. On many occasions you'll see him offer those sarcastic comments we all love like "wow! bet it was really hard to win this!". He's always a favourite topic of discussion.
- **b0p** - The digital edge star made his mark on UK CS with a quality showing on the UKT public servers where he managed over 40 kills on one single map. This moment single handedly made him a known figure on UKT and one can only expect good things from him in the future.
- **DArtagnan** - A successful year for the former Infinity-eSports player, picking up prize money left right and centre. After a short period with ONE he's now rumoured to be on his way to another top UK clan. He was also a part of Team-UK in THAT game against Sweden.
- **Demo** - If you havn't read the flames aimed at this guy then where have you been this year? Controversy surrounded the tR star when he was chosen to represent Team-UK, and after making only a single appearance it'll be interesting to see if he's selected next time around.
- **DK** - One of UKT's comedians so to speak, DK always offers those enjoyable insults, and unless you're Hav0rs you're bound to find them hilarious. He narrowly missed out on becoming Team-UK captain, but England.cs was a different story and their currently ahead in the XGC Nations.
- **Messiah** - One of UKT's most regular visitors, Messiah is constantly making people laugh with his hilarious and well thought out comments. He's certainly a favourite of most people and never holds back with the constant Rhyzz jokes.
- **Neffgen** - Captain of an unsuccessful Team-UK, but a respected figure in UK CS nonetheless. Pleasing many with his quality commentary of the World Cyber Games "j0nb0y" will no doubt remain an important part of UK CS for the foreseeable future.
- **Rhyzz** - If you havn't been insulted by or insulted Rhyzz, then you must have been hiding under a rock for the past year. The bullet leader is always at the centre of jokes, whether aimed at him or others, who can forget the AVI of Rhyzz (a fake version nonetheless) immitating HeatoN.

There you have it, get voting!
