4Kings Win WCG UK Qualifiers

Posted by Dev at 22:30 5/9/2003.

Yes after a hard days CS I can announce that 4Kings (DArtagnan, Liquid, lil, m0rph and Wr!ght) will be representing the UK in Korea at the 3rd World Cyber Games from the 12th to the 18th of October 2003. 4Kings managed to overcome OMG! in the final which was played earlier today at Shepherds Bush. Here are the details:

- 4Kings: DArtagnan, m0rph, lil, Liquid, Wr!ght
- OMG!: vip, TeppuM, ZaG, Craig, Bom
- Map: de_dust2
- Score: 4kings 13 - 3 OMG!

The OMG! players scoop up an Xbox each for their troubles whilst the 4Kings players each receive a camera and the trip to Korea. On top of this it has now been announced they will also be going to Paris for the WCG Invite which is kind of like an exhibition day. Well done 4Kings, OMG! and everyone who attended. Good luck to 4Kings in Korea.

DArtagnan Infinity-eSports 00:31 6/9/2003	gg every1, i dont think things ran anywhere near as smoothly as hoped by the organisers. This competition could have been a real spectacle, but by doing it on the first day when nothing was setup properly lead to delays, and not quite the spectator coverage they were hoping for. Also what happened to the £50,000 worth of prizes for the qualifier? Last year it was £20,000 and 1st 2nd 3rd in cs all got very nice prizes, and this year 3rd got nothing, thought that was a bit harsh! [Comment: Report IP: Logged]

Bodkin 2seXeh 2perfoRm 11:59 6/9/2003	Was a good event which i thourghly enjoyed. The seedings could have been argued as always, but the tournament was well run and organised. The only real issues were the lack of coverage on the net, pc failures (which were dealt with very well + they are always bound to happen), and that they chucked people out for the final :'(
	4kings focussed on a couple of maps at bootcamp and that really showed especially in the

	final. Very well played to OMG! who overcame clanONE who were immense (after playing them in a scarey match on train). 2s2p also played well to overcome ols on their worst map, and also to take 2 rounds as terrorist off 4kings after losing the pistols, and to take them close on a number of rounds as T, then to lose the CT pistols on silly mistakes :(Taking away nothing from 4k who were as unpredictable and well organised as ever.
