DK Stalk Confront Engage Eliminate 17:13 5/9/2003	myers did say he paid back the teams from the UKT-X fiasco. He wouldnt confirm where he got the cash. I guess the PS2003 finals will be a lower 2nd 3rd prize then. Since 4k probably already been paid their winnings aye Myerth. [Comment: Report IP: Logged]

Xero 17:15 5/9/2003	anyone got pics lol [Comment: Report IP: Logged]
Envy 17:15 5/9/2003	I don't believe Lliandra played as she had to attend to something involving university, which is way more important than some stupid game. So what if she does alot of smilies. Maybe she is a happy person :) [Comment: Report IP: Logged]
AL!CAT 17:15 5/9/2003	well were did the money he was paid in the morning go? If they used the pc's for FA then Myers should have his money back : [Comment: Report IP: Logged]
Aunt 17:16 5/9/2003	call me crazy but is their not 2 games left ot be pld and only one spot left? [Comment: Report IP: Logged]

DK Stalk Confront Engage Eliminate 17:17 5/9/2003	Agreed Envy, uni > cs As I tried to say above I respect 4k*ladies for going, they was in a lose/lose situation. Respect is earned and maybe this is their first step. Lets hope they continue on that road. Other top online clans who beat euro teams and call every other decent UK clan s***e, yet never attend LANS are the ones I really really cant f***ing take. [Comment: Report IP: Logged]
PFCalcio THX 17:19 5/9/2003	For real respect you have to lose to everyone then attend LAN and get beaten by everyone as well - now that's hardcore. [Comment: Report IP: Logged]
FELLA 17:20 5/9/2003	Jay stop :) being nice :) you c**k :) :) B=====D (o) :) [Comment: Report IP: Logged]
ssj 17:20 5/9/2003	Aunt, theres 3 spaces not one 'final 8' not final 6 :D [Comment: Report IP: Logged]
Envy 17:22 5/9/2003	This is 4K.ladies first ever LAN. and it will have been a great experience im sure. but they only had 4 of the 4k.ladies. so who filled lliandra's place? It can't have been easy for the team or the girl merc'd as they have never played together as a team. [Comment: Report IP: Logged]
Aunt 17:22 5/9/2003	o, my bad :] then there is a team short? [Comment: Report IP: Logged]
ssj 17:22 5/9/2003	no, just omg! havent been put in the third round yet, but theyve won already :) [Comment: Report IP: Logged]
Aunt 17:22 5/9/2003	oops i see my error [Comment: Report IP: Logged]
DK Stalk Confront Engage Eliminate 17:23 5/9/2003	Ive called baal a lot of things, but Id never call him a girl Envy. He's more of a b***h! [Comment: Report IP: Logged]
FELLA 17:23 5/9/2003	DK: 17:17, 5/9/2003 Heh I'm just being nice for show mate, made up them slags got bummed ...

	ROFL pld [Comment: Report IP: Logged]
Envy 17:23 5/9/2003	Did Charlie merc? [Comment: Report IP: Logged]
disty 17:25 5/9/2003	got no problem with 4k.l for turning up + having a go at it, many other clans didnt even make the effort. The problem is the attitude that seems 2 stem from the 4k part of her tag :/ [Comment: Report IP: Logged]
DK Stalk Confront Engage Eliminate 17:25 5/9/2003	LOL Russ however, if u had any f***ing brains. You'd have faked the from: and subject: lines aswell u tit but 10/10 for laffability :) None of the clans I really hate were on show today :/ so Im finding it hard to target anyone in particular. [Comment: Report IP: Logged]
Envy 17:27 5/9/2003	Whose 4K tag? [Comment: Report IP: Logged]
FELLA 17:28 5/9/2003	Free Game vouchers or BJ's from 4K.ladies as refund for UKT-X ? Half Life 2 it is then lads :) :) <---- look I'm smiling [Comment: Report IP: Logged]
k!o 17:29 5/9/2003	rofl :) [Comment: Report IP: Logged]

Raider, how about you quit
jumping down my throat for
asking a question? How about
you read what i'm saying too.

"it was 4-3, we had 4 left, u
had 2, who were about to die,
crosshairs were even on u,
classic, yet u still chat

this s***."

I never contested the fact that
you were winning the last
round, i said we were winning
the pistol when we restarted

with \$800, then you guys left.
How about you just say there
was a router crash like you
nicely slide in at the end

of your comment instead of
getting on your high horse 'cos
you beat us?

You're actually right though,
'cos until my mate who was
spectating put things in
perspective i didnt really have a
clue what was going on during
those rr's and you guys were at
a disadvantage from what i
could tell, until i suddenly
realised that that pistol was
supposed to be live.

At the end of the day who
really cares, i knew posting a
little question/comment about
it would give people here an
excuse to call us whiners or
flame, cheers for proving me
right tbh! This place is really
rather amusing.

got home about 30 mins ago :|

ended up leavin the event when we got kicked out just before final coz we cudnt watch it due to safety reg's

gayyyyyyyyyyy

got back to manchester at bout 3:40am had been awake since 3am the previous day when we left to drive down... was thoroughly f***ed... got to train station and no trains heading back way i needed, managed to get some kip on the floor at a mates, just after 4am pld tiki :D

got up at 8 got a train at 10:26 (gay ass irregular trains)... and now home - *dies*

gg all, played every1 who went specially 4k.L, Legend (wicked aim on these guys not online Heroes at all imo their aim was great, we outplayed them as a team rather than with our aim... in warmup i thought we was in trouble after seein some of there shots), played clanONE, should have been closer than it was though :(we made a few f*** ups which cost us rounds in the first half, you seemed pretty solid as CT though didnt get much chance to test it...

anybody who used enclosed ear headsets.... did u all feel sick when playing ? the rumbling from the event on floor and the headphones blocking out sound made me feel motion sick or somethin im sure :|

thanks shaw. gg. Basically we didn't anticipate Aztec would be on the rotation.. played it twice

	before and never thought of it again. We had problems, but who didn't.. we won't fold because of it and you'll see us again I'm sure. WCG display is small, but some decent displays. [Comment: Report IP: Logged]

Loxam Lite 15:17 6/9/2003	Good day bar being stopped for not paying (err wtf seems we paid on same cheque as 4k.I and 4k and 4k.I were already in the event?). Massive delays at the start, but hey usual ;) and the fact that we got kicked out before final! 4k.ladies was good match, T on nuke start - especially seems they got the PC's for about 1hr30mins before us being allowed on for "publicity shots". Legend game was good, wp. ClanONE we underperformed I felt, but their pistol rounds are great and really closed us down. wp and ul vs omg! I really thought you had a good chance at winning this event. Thx to kier too for filling in for Charleh the 4k.ladies player. I think our Turkish wonder REb got back today so its all good :) [Comment: Report IP: Logged]
