Crappy Super Breasts 13:03 5/10/2003	Don't know why Annum is crying about people talking about him not going. Surely it's to be expected if you say you are going to go then let your team down with a lame excuse like "I missed my train" less than 24 hours before the event. Well i hadnt played cs for 4
weeks before this event, cause
ive still not got my connection
at my uni house yet.

Missing Mike and cooler.werra,
which is our starting 5. Just
cause stu is the more reputable
player, mike is also quality, and
actually has played with us a
lot and knows tactics and has
team play with us. Of course
stu is quality, but he hasnt
carried has he?

I3ig2 Game2XS 09:58 6/10/2003	WP played ONE guys! Just have to stress how crap we were once again, my first LAN since November last year when i played at CPL Quals, i did alright then and when i was there on sunday i was shocking...i think it something to do with not enough sleep and driving a long way! 3 hrs sleep + 2.5 hrs driving kinda fucks my reactions and accuracy lol... i really was crap tho cant stress it enough, think i let the team down tbh [Comment: Report IP: Logged]

DK Stalk Confront Engage Eliminate 10:20 6/10/2003	wp to 2s2p, choke, s7, pk, dist, i-es and one. Was a good tourny to watch!! ;p We played s***, got dicked..next time! Promised myself I'd still be there for the finals, so stayed and watched :) Cathy is sexy, and better than Scara at CS!! Don?? (Lurch) has to be the most unintentional funniest person ever. "you raaaang" /whistles Adams Family theme tune. Kae has to have the most high pitched, annoyingly stressful voice ever. He was proper hyper. Kritikal is Akujii girlfriend, I asked, Keir confirmed! t0m is Keirs bodyguard?!

Stu carriman looked around at me after EVERY frag or death, waiting for some sort of approval/dissaproval?! When all I was interested in was seeing what it was like when u shout an oponent and they died.

Dan/lucking has been on the atkins diet.

Greg/dart been on the maccies diet!

Vip played awsome, pulled alot of weight for dist and called all the shots (imo) so, kma at geo with his m0 carried scee comments!

poog rubbed himself up against FELLA several times

Mike/Donkeh is the ultimate LAN groupie looking for gay sex!

Pyroux, the only guy who said he was gonna come say Hi and did (fu blade!)

Day went like this:
Got up 4am Sunday, got phone call from bror (just getting in from party 4.30am) sayin he can only get a train to Leicster or cant make.

Get Speed camered on way to pick bror up. Get to UKT late. Meet the Ns geezers! Get straight on PC's, drop cathy the bombshell she's playing instead of m0rph, f***ed sens, ravor dicked us.

Have long wait, watched Ns get dicked just as bad. Found out LAnNuM didnt show (3yrs ive been waiting u c**k). Watched Ns get dicked again. We then got dicked by PK, stayed to watch all the fun and games.

Had Myers keep asking me when I was leaving 'cos I was making people nervous?!?!.

Watched kae get stressed, watched Kardi rip dist a new arse?!!!

Watched some class games between one/i-es, had a laugh. Left IT center had £60 parking ticket!

Arrive home 3am, go to bed, kids had f***ed with alarm which woke me up at 5am, in work at 8am!

Eventful!!
