ORIST.COM FOR THE LATEST CS NEWS

General Roundup

Posted by Ripper at 14:49 7/1/2003.

Few bits of news to bring you here:

- proZac announced their reformation last night, their team includes DArkor and tmc who recently left iLLu shortly before they folded. Also Rav0r, formerly of erm:cs is included, along with kronic and Khe, one would assume they'll be looking to recruit so it'll be interesting to see if they can gather any other big name players. Check them out in #prozac.
- 3DFilmMaker.com recently conducted an interview with The Family God, the interview mainly looks at he technology behind his previous productions and what to expect in the future, check it out here.

Also, the other semi-final of the Clanbase opencup takes place tonight, with the winners facing ONE in the final, check out Clanbase for HLTV and shoutcast details.
