Dark0r and KhAoS Join ONE

Posted by arsen at 01:38 8/8/2003.

After the recent re-shuffle at clans omg! and iM, ONE have followed suit and announced changes to their own squad. Due to concerns over the activity of the clan, Strikes and BL have both left to make way for Dark0r and KhAoS. You may remember KhAoS left ONE early this year, then moved to Australia 3 months later.

I managed to catch up with both Dark0r and KhAoS, here's what they had to say:

arsen: KhAoS, what made you go back to ONE?

KhAoS: Well after i left ONE i realised it was probably the wrong thing to do, i really wanted to play with them again because they're good friends and luckily i got the chance to.

arsen: Dark0r How did this move come about?

Dark0r: Well, leaving MM was hard; hardest clan ive had to leave by far, but i didnt leave for ONE i left for someone else who i decided not to join either after a few days when ONE aproached me. Seeing as ive known ONE for so long, im really good friends with them and have been on trial before so its the clan ive most wanted to join and now im finally in it _~~

arsen: To both of you...do you see ONE challenging for top spot at the WCG this year?

KhAoS: Well part of the reason we joined is to improve activity. Hopefully all going to plan we can prac everyday up until WCG and bootcamp to get into shape

Dark0r: We are going to be trainging hard from now till then so i hope so <@|:~

All that remains to be seen now is how the new guys will settle in before the WCG next month. This should be the last of the pre-tournament shuffles we will see among the big names now, it will be interesting to see how the new line-ups fare against the best.

Good luck to BL, Strikes and clan ONE.

Dark0r and KhAoS Join ONE

Posted by arsen at 01:38 8/8/2003.

After the recent re-shuffle at clans omg! and iM, ONE have followed suit and announced changes to their own squad. Due to concerns over the activity of the clan, Strikes and BL have both left to make way for Dark0r and KhAoS. You may remember KhAoS left ONE early this year, then moved to Australia 3 months later.

I managed to catch up with both Dark0r and KhAoS, here's what they had to say:

arsen: KhAoS, what made you go back to ONE?

KhAoS: Well after i left ONE i realised it was probably the wrong thing to do, i really wanted to play with them again because they're good friends and luckily i got the chance to.

arsen: Dark0r How did this move come about?

Dark0r: Well, leaving MM was hard; hardest clan ive had to leave by far, but i didnt leave for ONE i left for someone else who i decided not to join either after a few days when ONE aproached me. Seeing as ive known ONE for so long, im really good friends with them and have been on trial before so its the clan ive most wanted to join and now im finally in it
_~~

arsen: To both of you...do you see ONE challenging for top spot at the WCG this year?

KhAoS: Well part of the reason we joined is to improve activity. Hopefully all going to plan we can prac everyday up until WCG and bootcamp to get into shape

Dark0r: We are going to be trainging hard from now till then so i hope so <@|:~

All that remains to be seen now is how the new guys will settle in before the WCG next month. This should be the last of the pre-tournament shuffles we will see among the big names now, it will be interesting to see how the new line-ups fare against the best.

Good luck to BL, Strikes and clan ONE.
