ClanONE interviewed

Posted by cobbeg at 16:53 8/10/2003.

The recent winners of **UKT5** and one of the most impressive teams the UK has to offer, clanONE, have been interviewed by the new website from team9. The ONE players that were in the interview were **Righteous** and **Strikes**. We get some good questions and answers which talk about the ups and downs of their eventual victory at UKT5 and how they felt about beating the favourites **I-eS** and obviously about what the future holds for the clan itself.

Here is a little snippet of the interview:

After losing to I-eS in the winners bracket of UKT5 how did you look at your chances of winning? surely your confidence took a bashing?

Righteous: It did a bit, but we always knew inferno was a really really weak map for us so we kept our heads up and played on.

Strikes: Well after getting 8 rounds it seemed like we was going to win we relaxed and lost, but inferno is a weak map for us so we carried on we our heads up.

A good read for one of the most respected teams in the UK. Check it out [here](#).
