Some more random news bits for your viewing pleasure:

- 'The-Titans' have won the Danish ESWC qualifier. After only losing one game all day they overcame SoA in a 2map final.
- Over the weekend the Australian ESWC qualifier also took place with function zer0 coming out on top. The UK's very own KhAoS was in attendance with his current clan 'Xtreme Revolution' who finished 9th.
- HLO won the first Swedish WCG pre-qualifier gaining a place in the national qualifier final which takes place later on in the year. They beat [9].esu 13-3 on de_nuke in the final.
- agb|w1cked who played for Kirby-eSports.uk at the 3rd UKT LAN has released a movie containing some of his better frags at the event.
- American clan 'Forsaken' are back for the 3rd time with a brand new roster, which I have to say is fairly decent. It looks like this: Holden, Jones, Spitzer, brown and Dorsey.
