UKT 1v1 - Quarter Final Results

Posted by Dev at 21:35 9/6/2003.

Here are the last three quarter final results:

Keiju 45 – 36 A_BeAsT
Fox 50 – 45 Dark0r
Acron^ > Necroboy (Default)

Here is the schedule for the Semi-Finals, both of which will take place **tommorow**:

7pm - Keiju vs. Fox
9pm - Acron^ vs. LordOfBlood

(note that due to something that has come up I have had to make one of them a 9pm start instead of an 8pm start as previously stated - apologies for inconvenience)

Highland-Mafia Spec-Ops Detachment Alpha 00:19 10/6/2003	tis a bit harsh that due to something coming up the 8pm match is moved to 9pm, but necro had to default...even tho he had a pre-arranged league match. i say let him play.. but then again u could argue that some of the other peeps who were forced to default should have had their matches replayed, nm.. bl necro :/ [Comment: Report IP: Logged]

Fox ClanNEW 02:15 10/6/2003	1 word dev, seedings? [Comment: Report IP: Logged]
`NWA 02:52 10/6/2003	wouldnt it be better not to pit the 2 who defaulted against each other? That way we'd be more sure of having the 2 better players who showed up in the final. [Comment: Report IP: Logged]
Otis Rush! 03:38 10/6/2003	gooooo jonny fox! [Comment: Report IP: Logged]
HeNdie Void 07:50 10/6/2003	Could you sign up at the start of this, or did u have to get asked to play in it? [Comment: Report IP: Logged]
LordOfBlood 09:43 10/6/2003	Sign up, and its pretty hard to seed isnt it as not exactly a tourny done all the time. As for tho plays who it has always going to be this way as Dev had sorted out who was going to play who at what stages already so it would be unfair to change it at the last minute jus for the sake of a good game in the final. Maybe he did seed a bit but remember Rhyzz and DArt got knocked out early due to know shows who knows. [Comment: Report IP: Logged]
Fox ClanNEW 10:51 10/6/2003	NWA made the point i was implying, 1 guys gonna get in the final just for turning up, although that might not be the case in this next game [Comment: Report IP: Logged]
LordOfBlood 11:02 10/6/2003	At the end of the day though its just a bit of fun. I don't know how good acron is but I wouldn't be surprised if the winner of Keiju v fox wins the whole thing. I would be very supried if I won the whole thing cos I was surprised to get past first round (and second third and forth). I am hoping though that either me or acron win because that would amuse me + im sure the flaming will be immense because the favourite didn't win. [Comment: Report IP: Logged]
Dev theb0g 12:35 10/6/2003	I aint seeding a fun tournament! We have had some quality ties in the early rounds like SkiNNeR vs. Keiju, Annum vs. Fred, A_BeAsT vs. Geordie etc... As Keiju himself said - he would have to play these players anyway if he was

	going to win it. The draw is totally random and pre set by compomaster, i will upload it all at the end of the tournament so people can see i haven't fiddled it. If someone does get to the final by just 'turning up' then well done to them, more fool on the people who didn't show (appart from if they had some real life important issues). That won't happen anyway as all 4 remaining people have played and won at least 2 games to get here, more in a couple of cases. It is allready behind schedule due to lots of different reasons and my A2 level exams start this week so I would like to get it finished. [Comment: Report IP: Logged]
Fox ClanNEW 14:33 10/6/2003	didn't realise you'd used compomaster to do it, you should have had it uploaded from the start, given ppl a good talking point [Comment: Report IP: Logged]
Dev theb0g 14:35 10/6/2003	I didn't want people knowing who they would have next round :D [Comment: Report IP: Logged]
