ONE In Trouble

Posted by Ripper at 12:26 9/9/2003.

Last night ONE announced that Righteous had quit competitive CS. After many years in ONE, Righteous has been instrumental in their rise up the UK CS ladder, competing at each and every major LAN ONE have attended in the past 18 months or so. Kid tells me Righteous didn't have the time or motivation for CS no more, whether ONE's failure to reach the final at WCG has anything to do with it remains to be seen.

In other ONE news, DArk0r has also left ONE. After only a month or so in the team DArk0r obviously couldn't deal with ONE's WCG failure (if you can call 3rd place a failure) so well, and rumours suggest he's on his way to I-eS.

Keiju and KhAoS are apparently planning to rebuild ONE after these losses, so good luck to them, Kid and the rest of ONE.

Iccy 18:33 9/9/2003	Alex was getting bored of CS before WCG, he was saying that he was wanting to give it up, it was weird because he went from playing it 24/7 to barely at all in no time. It was a shame because it was just before the WCG and maybe hindered the practices a little :(. However Alex is a great lad and I consider him a mate, hope he goes on and does well in whatever the f*** it is he does, maybe he'll finally have some free time to sort his ugly face. Its been a lot of fun, especially just coming on IRC and slinging insults at each other.

		I dont know what to say about Paul really, I havent had a chance to speak to him since I heard about this. He was good mates with Alex which is maybe why he left, but he left us in a bad situation which Im not too pleased about, but then again maybe this is for the best because there will be highs and lows in the future and we need players who will commit in bad times. Hes a great lad and a mate so no regrets, sorry to see him go. Also there was never any talk of kicking him. We have 2 players on trial already, so good luck to both of them I hope they fit in well. ONE In Trouble

Posted by Ripper at 12:26 9/9/2003.

Last night ONE announced that Righteous had quit competitive CS. After many years in ONE, Righteous has been instrumental in their rise up the UK CS ladder, competing at each and every major LAN ONE have attended in the past 18 months or so. Kid tells me Righteous didn't have the time or motivation for CS no more, whether ONE's failure to reach the final at WCG has anything to do with it remains to be seen.

In other ONE news, DArk0r has also left ONE. After only a month or so in the team DArk0r obviously couldn't deal with ONE's WCG failure (if you can call 3rd place a failure) so well, and rumours suggest he's on his way to I-eS.

Keiju and KhAoS are apparently planning to rebuild ONE after these losses, so good luck to them, Kid and the rest of ONE.

madmk 20:08 9/9/2003	Nope, Ic are imo - they have a good squad, are all m8s, wont fold in 2 weeks, members wont leave because of a better proposition like some UK2 noob clan.. 4K on the other hand 'stole' members from I-eS, even though they needed to for WCG.. its still silly that them 2 players went to 4K, 1 which is staying with them. I-eS would of won otherwise - dont see why they dont stick with their team for a bit instead of join up with any better offer :P [Comment: Report IP: Logged]
