Negotiator Leaves ONE

Posted by Antmoo at 17:47 10/3/2003.

At the title suggests, Negotiator has left the top UK clan.
Here is the statement from their website:

Unfortunately Negotiator has decided to part ways
with Clan ONE and step down from competitive CS.
His commitments to work mean that he cannot put
the time in that he would like to, and he has chosen
to leave.

We are sad to see him go as it was a pleasure to
have him in ONE for the past 11 months or so. Good
luck Mark!

Good luck to Negotiator for the future.
