KhAoS leaves UK CS

Posted by NoToRiOuS at 18:07 12/4/2003.

After a long time at the top with ONE, uG, meatyballs and of course Team-uk Tom, aka KhAoS has decided to move on to new pastures. It seems the grass is greener down-under, I caught up with Tom for a lil chat before he leaves this Wednesday:

NoToRiOuS: Why the sudden move down-under?
KhAoS: a few of my friends have just gone out to Australia backpacking, so after I left ONE, I decided that's what I wanted to do too so I quickly booked up

NoToRiOuS: Will you be continuing on with CS in Australia?
KhAoS: Depending on how much time I get to play in Aus I might play a bit of CS, I spoke to some guys from a clan called XR in aus and they said I might be able to play for them

NoToRiOuS: Is it true BL did all your washin' up when u lived in Stoke?
KhAoS: BL did all my washing up, I owe him.

I wish Tom the best of luck in the crazy place full of *barbies* and people that can't spell beer.

Gristy 18:33 12/4/2003	well to stay there he would need either 750,000\$ in a aus bank not to be touched. or study there which is just for duration of courses or work there which is a pain as you have to change employer every 3 months. As i cant see tom getting residency any other way as there really tough. + it just says hes backpacking with friends so i guess here be back sometime :P [Comment: Report IP: Logged]
