There was no clear winner in the 'best clan website' category so we chose not to award it. The majority of people didn't actually vote for a site, so it wouldn't have been fair to pick from the few nominations that there were.

The schroet site was probably the best of those put forward, but this award was really only for UK-based sites (which we should have made clearer). None of the UK ones in the list that I saw struck me as particularly amazing.

	Ripper Rush! 09:18 13/1/2003	Myers meant: Strider - Biggest Config [Comment: Report IP: Logged]	
	Smittins 09:19 13/1/2003	Game Of The Year: Infinity-eSports vs SK.Sca - De_Nuke CPL Summer WC aztec??? ㄟ_ㄟ [Comment: Report IP: Logged]	
	Ripper Rush! 09:21 13/1/2003	Why did alvin get an award, from what i can remember during my time as an ecsl admin we was always waiting on him to finish one thing or another to do with the website and we had to delay countless times because the website wasn't being done. People like Evolution and Rogue1 from Barrysworld put in far more of their time to make sure the league runs well. I just think you've been a tad bias in that award myers. [Comment: Report IP: Logged]	
	Weebull 09:25 13/1/2003	You would have thought BW would have gotten something for having the best league last season, wouldn't you? :o [Comment: Report IP: Logged]

	Ripper Rush! 09:49 13/1/2003	they have, I've worked with both the ecsl team and the bwcs1 team, ecsl was a joke compared to bwcs1. The admins were/are far more committed in bwcs1, i cant remember how many times people complained at ECSL because refs wern't available. BWCSL is far more organised and the people who run it deserve more recognition than people who help to run an unsuccessful and un-organised league. [Comment: Report IP: Logged]

Myers Saviour of UKT UKTerrorist 09:54 13/1/2003	during that time far2cool had more teams than all the other uk leagues put together :), look at it that way, and bwcsI won league of the year, what u moaning about?, alvin single handidly coded the whole database etc etc... Eagle 18:46 13/1/2003	Maybe i-es won the actual achievement awards because they did the most in 2002? They won every competition they entered in the UK (they probably would have lost had

		they gone to the quals for cpl winter but still) they won the most prize money, they set up their own company. Name one clan in the uk that could match their achievements. [Comment: Report IP: Logged]

DK@work 09:56 14/1/2003	Ok well it's simply that tits Scaras fault for mentioning the SCEE site. So in usual style I'll settle this. www.team- endgame.net is better than ours 'cos it has the little 'latest results' box which I haven't added yet :/ and www.choke- clan.com is worse than ours cos it's Mat really does talk utter s***and the green is worse than ours!! www.scee-clan.co.uk #scee WWW. [Comment: Report IP: Logged]
DK@work 09:58 14/1/2003	Thats a bit of a f***ed post remove the 'its' and the last 'www.' and it reads correct. [Comment: Report IP: Logged]
Nick^ 10:22 14/1/2003	"you should wear you hair up, so jokes don't go right over your head." Best comeback ever. [Comment: Report IP: Logged]
w1cked^ Kirby-eSports 13:24 14/1/2003	SCEE's site is better than your peice of dogs*** MaT you deformed mutant. [Comment: Report IP: Logged]
Eagle 16:07 14/1/2003	Bah how i forget about ps2002 :o anyway it was i-es i was talking about not 4k :P every OTHER event then. And lol [Comment: Report IP: Logged]
Lemo 21:20 14/1/2003	Ripper - rogue1 only has to deal with bwcsI, alv deals with and has setup ecsl + uktfcl + edodl + ectfc, and does all the

website and shizzle himself.
Also ecsl has changed alot (for the better) since you was an admin. I have been an admin for ecsl + bwcsl + bycsl, and imo ecsl is the most friendly and community based league.
