Geordie Last Chance	im talking to the admin now basically when it first started

23:26 13/8/2003	we lost the pistol and 1 eco, we won an eco and the next 2 rounds, one of theres dropped they asked for a restart so admin did, we then went 7-0 up one of them timed out and came back they asked for an rr but admin said no, they then camped spawn like kids and said we can have a default, now for the last few hours they have been trying to argue the case with the admin to getit replayed tommorrow, which we cant (we offered again kindly to play tonight) still waiting for admins decision :D [Comment: Report IP: Logged]
DoZ Anti-saviour of UKT 23:26 13/8/2003	It was 1-2, they wanted rr and got it. Then 8-0 and they left saying we could have default. Then some more fun and games on irc apparently... I dunno, I lost track half way through what happened ;-) [Comment: Report IP: Logged]
