Clan ONE Recruit Manager

Posted by Antmoo at 21:02 14/1/2003.

Clan ONE have recruited Iccy as their manager, here's the statement from their website:

"We are very pleased to welcome Iccy as ONE Manager. We were initially intending to give him a trial and settling-in period, but Matt has impressed so much that we have decided to make it official. Welcome to ONE, Matt!

Iccy's role will mainly be to approach and deal with sponsors, as well as bringing in some organisation and sorting out other day to day issues. Hopefully he will be a big help in taking Clan ONE to a more professional level."

I caught up with Iccy to ask him a couple of questions:

Antmoo: How did you becoming their manager come about?

ONE|Iccy: Well, I write news for a couple of things. I was wandering a bit aimlessly around irc one night looking for news and saw alex (Righteous) talking in clanONE. I PMed him and asked for an interview sometime and we started just chatting about nothing really. I mentioned that I was manager of SODA (and still am) and he said ONE were looking for a manager type person and would I be interested, I said yes. After a couple of days trial I guess I did ok as it resulted in me being made manager last night.

Antmoo: What are you going to change in Clan ONE that you dislike at the moment?

ONE|Mr_Iccy: There seems to have been a few things happening behind the scenes. People trying to take the clan for a ride in some respects. Ive come in and tried to sort this out immediately and have had a good response. Also I think by their own admission ONE arent the most organised of teams, a little more organisation regarding practices before tournaments and sponsors, combined with their obvious skill will hopefull bring out the best in them.

This should be a big boost to them, all the best to ONE!

Righteous Clan ONE 17:24 15/1/2003	he doesn't really need a role as he started the clan with me about 3 years ago :) I just carried on playing CS and he got bored of it abit and played other games and carried on taking an interest in the clan [Comment: Report IP: Logged]
kirium 18:57 15/1/2003	no offence to one, good bunch of lads, but this post takes this p*** :) who really gives a s*** about the 'behind the scenes' people of a clan. its like posting news that myers 'ies teaboy' has reached puberty.

useless.

harsh fred :P
although I do agree this post is a complete waste of time... but then I guess some people are interested when a clan gets a new manager/server/bnc/anything else that has no bearing on the actual team.

yeah that happens a lot, and if this post simply said "ONE have acquired a new manager who will be helping them etc" then that would be acceptable i guess (of no interest to me whatsoever mind), but the fact that theres a lenghtly interview posted is laughable.
