What i was saying Dace is that choke come under alot of criticism and are the butt of alot of ppls jokes,wether you like that or not that is FACT and i know you deal with the jokes and criticism well but having a good LAN and placing high will silence those critics and give your clan the recognition it deserves.

You are nice ppl and a friendly bunch no one questions that but the uk scene is a ruthless place and im hoping you can silence the ppl that doubt your ability.

so i say again with added vigor
GOOD LUCK TO CHOKE :D

UKT4 Seedings

Posted by Ripper at 13:28 17/7/2003.

Here are the seedings for the upcoming UKT LAN at Northampton:

1. omg!
2. lastchance
3. Imminent
4. Monkey Magic
5. Disturbed
6. Pacifico
7. Maim
8. section7
9. fluid element
10. Choke
11. BLACKLiGHT
12. 69K
13. SFAL
14. reSonance
15. Harmless
16. GltC

No matter how much flaming takes place on this thread, the seedings won't be changed so deal with it and look forward to the weekend. This means the first round fixtures taking place on **de_nuke** will be as follows:

- omg! vs GltC
- lastchance vs Harmless
- Imminent vs reSonance
- Monkey Magic vs SFAL
- Disturbed vs 69K
- Pacifico vs BLACKLiGHT
- Maim vs Choke
- fluid element vs section7

Maps are as follows:

- 1st round (all teams) **Nuke**
- 2nd round (upper+lower brackets - all teams) **Dust2**
- 3rd round lower bracket - **Train**
- 3rd round upper, 4th round lower - **Inferno**
- 5th round Lower bracket - **Nuke**
- 4th round upper, 6th round lower - **Dust2**
- Lower bracket final - **Train**
- Final - **Inferno**

All games will be **mr12**. As you can see, we're adopting a style similar to that used in the ESWC - a 4 map rotation. All teams must be at the venue by 9:00am.

PHB 17:47 17/7/2003	I could be wrong, but I dont think I am, but you never know :) In theory, say Monkeymagic and omg! won all their games and they met in teh 3rd round on inferno, say monkeymagic won, then they'd meet again on inferno in the final, is that right? [Comment: Report IP: Logged]

DoZ Anti-saviour of UKT 17:51 17/7/2003	There's no problem with playing the same team twice on the same map [Comment: Report IP: Logged]

PHB 17:54 17/7/2003	There's no problem with playing the same team twice on the same map ----- I kinda think there is. It means you cant use the same tactics you used before, i.e. you have to change everything. A much more interesting

		approach to all involved would be to change the final map to one of the other 4, Nuke/dust2 if you were to listen to the CPL. I think its just a minor oversight on myers part, I dont think it was on purpose. [Comment: Report IP: Logged]	
	[i:Venom] BLACKLiGHT 17:55 17/7/2003	Whats with all the fighting and the arguing, on a website, u tryin to prove something? nobody thinks better of you for acting hard on the net. 	kuki 17:55 17/7/2003	dear me wtf is happening to cs?! 1)when i quit (long time ago now) i remember that ant was convicted of cheating (that beeing if he was in the insomnia team) which i sure he was as they was at gamejunkies or sumet and poog once told me its same bloke.. CHEATS :x 2) ssj was an immature c**k when i quit.. now i just read ukt id like to say well done growing up ssj and well done at getting good...(turned up to a UKT event with hardly any notice? - top bloke) nice to see that ppl dont stay c**ks forever.. then again my vision of reality is f***ed u mite of always been nice!! hah.. gl disturbed, last chance, maim (boo neo) p00g. etc hope it goes well! 	DoZ Anti-saviour of UKT 17:57 17/7/2003	So on that off chance that's how the brackets turn out, there's a problem that the second time you meet resourcefulness will factor in the result? [Comment: Report IP: Logged]

DArtagnan Infinity-eSports 18:10 17/7/2003	A while ago i think rob tried to pinch arak and stan cause we needed more active players. M0rph will be playing with us as well. Some changes in OMG coming up, but cant carry them out till after spain, then omg will take a much bigger step forward from our current level. I think it'll be a good lan

		provided it's not an oven and runs smoothly. And i'm back to being a c**k in your eyes again DK? What did i do to deserve that? [Comment: Report IP: Logged]	
	Geordie Last Chance 18:12 17/7/2003	like bringing in kwak? :P i cant wait to see what these exciting changes are ! [Comment: Report IP: Logged]	
	NazgOl fightclubclan 18:13 17/7/2003	PHB, dust2 is a bad final map for the same reason aztec is a bad map, its too biased. Since the final score is irrelevant, whichever team gets the easier side first has a much easier time, since in the 2nd half, their opponents wont be able to afford a fightback, they have to win the rounds from the start. there have been loads of famous upsets caused from important matches played on aztec/dust2. i think inferno is an underrated map simply because it is so even. it should be up there with nuke and train as a good final map. [Comment: Report IP: Logged]

DArtagnan Infinity-eSports 18:19 17/7/2003	difference is, at eswc it's all the best teams, and they're all very closely matched with the ability to beat each other. Here there's a lot of difference between the teams, so us not winning as no1 seeds is seen as a disapointment, whereas SK wouldnt be thinking they're likely to win. [Comment: Report IP: Logged]

UKT4 Seedings

Posted by Ripper at 13:28 17/7/2003.

Here are the seedings for the upcoming UKT LAN at Northampton:

1. omg!
2. lastchance
3. Imminent
4. Monkey Magic
5. Disturbed
6. Pacifico
7. Maim
8. section7
9. fluid element
10. Choke
11. BLACKLiGHT
12. 69K
13. SFAL
14. reSonance
15. Harmless
16. GltC

No matter how much flaming takes place on this thread, the seedings won't be changed so deal with it and look forward to the weekend. This means the first round fixtures taking place on **de_nuke** will be as follows:

- omg! vs GltC
- lastchance vs Harmless
- Imminent vs reSonance
- Monkey Magic vs SFAL
- Disturbed vs 69K
- Pacifico vs BLACKLiGHT
- Maim vs Choke
- fluid element vs section7

Maps are as follows:

- 1st round (all teams) **Nuke**
- 2nd round (upper+lower brackets - all teams) **Dust2**
- 3rd round lower bracket - **Train**
- 3rd round upper, 4th round lower - **Inferno**
- 5th round Lower bracket - **Nuke**
- 4th round upper, 6th round lower - **Dust2**
- Lower bracket final - **Train**
- Final - **Inferno**

All games will be **mr12**. As you can see, we're adopting a style similar to that used in the ESWC - a 4 map rotation. All teams must be at the venue by 9:00am.
