OMG! They Finish 3rd and Sarge Leaves

Posted by Dev at 23:25 18/6/2003.

Little over an hour ago OMG! beat cJ 25 - 21 to claim the bronze medal in division one of the Spring CS OpenCup 2003. cJ, from Sweden proved a worthy 3rd/4th place playoff as did OMG! as they provided a tense game. Here are the details:

- De_dust2: OMG! 14 - 10 cJ
- De_Nuke: OMG! 11 - 11 cJ
- Final Score: OMG! 25 - 21 cJ

This means that the UK clan can claim the bronze medal and hopefully gain entry into the EuroCup next time round. In other OMG! related news long serving member Clint 'Sarge' Mcutcheon has decided to call it day with both OMG! and Counter-Strike. Here is a short Q&A with him:

Why are u leaving OMG!?

Sarge: Ive just lost intrest in playing CS competetivly, have been thinking about it for a while and ive made my decision now :)

You had a stint out before Christmas after the Intel Masters then decided to come back - 2 months later you find youreslf leaving again, with hindsight is this a decision you regret?

Sarge: No not at all, since I came back ive had even more great times with the guys + we won a UKT championship + came 3rd in the opencup, so no i dont regret coming back at all :)

Ok, knowing you Clint i know you have some final words to say for people - gwan get it over with :D

Sarge: hehe shoutouts to everyone in omg!, especialy Craig, been a superb time for me and the most fun i've had in a long time, and to all the teams i played in and friends ive made, good luck to every one of them. Of course I wish the best of success to omg! @ UKT4 + Euskal where their going to own some euro's and go to dallas :D
