Carb theb0g 12:55 19/7/2003	Think omg! are missing the stability in their team that they had with Sarge, Bom, DArtagnan, Craig and ShaQ. Dunno the circumstance that came to them losing the game vs s7, could have been a bad map or just losing both pistols etc. [Comment: Report IP: Logged]

PHB 16:07 19/7/2003	The reason why its stupid is because its a test of how good you are at CS, not at one map, thats why we have multiple maps and why there is normally 2 map finals [Comment: Report IP: Logged]
Scoodles 16:07 19/7/2003	iM jsut got screwed ? 4-0 up ct side and an admin joins server asks if its live and sfal all say no (even tho they know it blatantly is why else camp out pistol ? :P) and so the admin restarts the half and sfal go 4-0 up (atm) sfal should be dq'd or something for decieving the admin [Comment: Report IP: Logged]

kae 20:35 19/7/2003	yep, was a gg vs OMG! and MM and flu.e gg'z all not such a gg vs. iM, clearly we have some T area's to work on! Lewis knowing all our tac's wasnt really much of an advantage neway but it was a fun game nonetheless (tmc @ 4 sig kills the big CT 5k gun no idea what the full name is) hats off to MM, wp especially to Dark0r (paul) and vertakill (who i dont know) both v.impressive players. Also hats of to OMG! especially vip (sumit) who was a v.impressive player. All of the clans we met and played against were v.sporting and no1 had any big fallouts :) OMG!, MM, Disturbed, LC = safest people!

thx to mk from clearly winning the game for us vs. OMG! wish you could have seen him, what a beast ^^ [...] like to hear what the players who actually played/ppl who watched the match think BUT STILL.

v.close match against MM, too bad we have like no T taccys ;) <3 rav

Hope we get more prep for the next LAN, maybe even pcw against sum decent clans :)

neways cu@ukt5 and hopefully WCG, thx again to all who took part it was a v.nice experience for all of us, hope we dont have to do too much begging to get in the next :P

oh and wp to myers, very good job in organising and keepin the whole thing running! Too much to say in sum little comment section tbh:(
