4Kings Intel 24 - 24 ONE

Posted by Ripper at 22:33 20/3/2003.

In an astonishing game ONE just drew with 4Kings Intel in one of the most entertaining all UK matches in a long time. Here's the details:

- **4K lineup:** Wr!ght - Harriman - Mangiacapra - Kwak - Luck1ng/Xenon (1 map each)
- **ONE lineup:** BL - Righteous - Kid - Keiju - Strikes
- **de_inferno:** 4Kings Intel 16 - 8 ONE
- **de_aztec:** 4Kings Intel 8 - 16 ONE
- **Total Score:** 4Kings Intel 24 - 24 ONE

What's interesting to note is that ONE beat 4K on a single map, which may surprise quite a few people. ONE perhaps bottled it in the last round but credit to both teams. Shocking overall result in most people's eyes.

Ripper Rush! 22:35 20/3/2003	i kept changing it, started with 4K 25 - 23 ONE, then 4K 23 - 25 ONE, then quickly edited it to the draw on all the seperate scores, but forgot one number. Anyway, well f***ing played ONE. [Comment: Report IP: Logged]

Dev theb0g 22:36 20/3/2003	Here is the report i had made up but ripper beat me to the post> When the EuroCup groups were drawn this game was the one which caught most UK gamers eyes. As expected 4K have had a good start to their EC campaign with ONE being somewhat of a dissapointment. Many believed 4K would win this game fairly comfortably which wasnt to be the case. They did take the first two quarters 8-4 and forced ONE to play out of their skins on aztec, fortunately they did and made a good go of it taking the match to the wire. After being 6-2 down as T's ONE won the remaining rounds to level it at 6-6 setting up a dramatic 4th and final quarter. ONE took the pistol round and the next 6 rounds to make the score 22-21, the

revival included a stormer by BL where in one round he took out two 4K players and defused the bomb. 4K then got the next round with Harriman taking out Keiju and Kid to make it 23-21. ONE got the next with some awesome teamwork to keep the game within touching distance, with the score now 23-22 to 4K everything would count. ONE didn't buckle and got the next two giving them the lead for the first time in the game. With the score now poised at 24-23 it went into the last round. 4K took it slow then made a dash for it losing Mangiacapra but managing to take out three ONE players, Strikes leveled Kwak with the awp to make it 3 vs 2, Harriman planted just as strikes fragged Wr!ght and Luck1ng. It was 1v1 and strikes started to defuse, Harriman managed to glock him making the final quarters score 10-2 to ONE. The game finished a draw with the scores level at 24-24. This now gives ONE some sort of chance of qualifying and with aAa next its sure to give them a boost. 4K still look set to qualify and i doubt this will be that much of a blow to their campaign. Overall, thrilling stuff.

Much better imo!
