As for playing with higher skilled players, well he's always been in marine so its not like he's ever played with 'high skill players'. bob along with all of marine aint pld cs for bout a month now, so if he aint been picked cos of inactivity fair enough, but he's easily good enough to be in the team as he's shown in every single nations cup to date. Otis Rush! 22:26 20/10/2003	Genics, what is it with b0b? You've been giving him some good anal talk up for the last week now. I don't imagine he wants it so why bother? I agree b0b used to be good but if he isnt LANing and

		playing in the big euro matches like these lads are then he doesn't deserve a place. There are probably now a good half douzen ppl out there who are as good, if not better than b0b so its not a surprise he's not there. It just seems that the only decent player you know about is him and its not making your arguement any better ;-) [Comment: Report IP: Logged]

If it bothers them enough to know, then they can ask. Ultimately the team choice stays, we're not gonna go "omigosh! we forgot Jobob!". We're just gonna stick with this lineup and if someone's not turning up enough then they can f*** off and get replaced by someone who will ;-)	[Comment: Report IP: Logged]

secondly yeh putting b0b in the team is getting boring but hey isnt liquid etc? tbh id rather see a team of 5-6 who havent had the chance yet to play the best from sweden etc, i would probably watch those games more than id watch these ones.

and also to the people saying dark0r should be in the team , you can only have 2 members from each clan.

i hope Doz and Myers got that wrong as well as you did then :) you can have more than 2 members from each clan in your squad. Its just that you can only line up 2 max members from the same clan in your 5 lineup for a match.

This isn't a go at Geordie and I know we should all be supportive of the chosen team but if you're going by skill alone then Geordie shouldn't be in when the players I mentioned above were left out. Your comment about the amount of arse licking for geo is just stupid, its not arse licking , its simply being supportive to a player who deserves to be in the squad, people are questioning whether he should be there at all,so its obvious that people would like to pass comment and stick up for geo a bit. If he gets the chance to play which I hope he does, you will see that he is a much better player than people give him credit for.Which is why I am sure that the team captains have picked him for the squad because they know he has the ability. This is the best uk squad there has been in a couple of years. There are other players that could have been in there because they are talented enough , but you can't please everyone. LOL Knew that would get
flamed.

I'll repeat, Geordie is a very
skilled player and i do wish him
and all of team-uk good luck.

That said I think if the majority
of ppl here had to pick the top
7 players in the uk, right now,
not based on past form,
Geordie wouldn't be in it. And
neither would Harriman imo,
man that's gonna get flamed to
hell. I know he's amazing and a
top 3 player and normally he'd
be my 2nd name on the team
sheet but recently i've been
more impressed by others. This
doesn't mean he's gotten worse
at all...I just think some players
have progressed alot recently
that deserved a chance. Just to
make it clear to the flamers. All
the choices are amazing
players, I guess it comes down
to personal preference when
you get a group of players all
around the same skill level.

Again Geordie, not a go at you
:) Good luck m8

Carb theb0g 13:38 23/10/2003	The lineup is pretty much what I expected it would be. I said to DoZ that I thought it'd be Mangiacapra, Harriman, Righteous, Keiju, DArtagnan, ZaG and someone from disturbed. Guess I wasn't too far off. No really unexpected Demoesque people, which can only be a good thing. Not sure I agree with the subs people suggested. b0b hasn't played much according to mag in his spiel the other day about the amount of time [marine] have spent playing 1.6 recently. Same goes for Sarge really. Not seen Clint play seriously for ages, plus he's spending more time on his band etc isn't he? Anyway, good luck Team-UK.	[Comment: Report IP: Logged]
Carb theb0g 13:49 23/10/2003	Fate` ` 18:06, 21/10/2003 Harriman what can i say Just cos ur 1 of best players in uk u think	

world revolves around u and a quality player like Sarge is considered for team uk and u throw ur toys out the pram and start crying really many ppl r not impressed by ur pitiful immature behaviour. Quality players shud be considered....u dnt see ppl like Beckham going i dnt like him dnt pick him in england team u nt see martin johnson say hes a t**t well blatantly if that happened there wud be a fight cos its rugby but thats anoher story.... such pitiful behaviour from sum1 who thinks they r sum sort of legend but will never be wiv behaviour like that.... i strongly urge u to grow sum pubes. so not impressed and sighing v heavily.

rofl. Fate I don't think you have any idea what Stu is really like. He does this kind of thing to wind people up, and naturally it worked. He has a fair point though as well, Sarge doesn't play CS much anymore and has less and less time for it. He's also not as good as he was. The scene has caught up; Clint used to be a top level player when he was in omg! and was active, now he's just a decent bloke and a good player.
