KhAoS Leaves ClanONE

KhAoS: I decided to leave ONE as i found it impossible to play in the same team as Strikes.

Ripper: What will you be doing next? Got any clans lined up?

KhAoS: No, i've been thinking about going to australia with some friends for 6 months, which i'm going to look more into now.

Ripper: Did you enjoy your time in ONE, and do you have any final words to say to them?

KhAoS: Yes, some great times, keiju BL righteous & obi are 4 of the nicest blokes you will meet and we had a laugh.

Ripper: Finally, what do you predict for ONE now?

KhAoS: They'll go on to beat 4k in time i think

Good luck to KhAoS and ONE.

ExistenZ 18:35 25/1/2003	super nick thats bollox khaos and dartagnan were good but the reason they were kicked/left in toms case was because they didnt get on and there team play suffered. ONE have got thsi far cos they have had an almost unchanged line up for some time righteous keiju nego strikes have all been in for a long time 1 player leaving wont make much difference if there teamplay improves because of it.

	its not like the rest of them are s*** they can still mix it up with the best on lan. [Comment: Report IP: Logged]

Due to reasons which don't concern you, he is no longer part of Nocturne. We are sad about it but feel it will be for the best. And then KhAoS gave us a nice reply i am no longer in noc, and i am quitting playing serious cs, my bad attitude, has annoyed too many people in the cs community to be tolerated any longer. So to those who i have irritated, i would like to apologise and hope that i won't bother you again. I'll just play for MMX for fun over the summer, then when i move in august, i won't take my pc with me. One will wonder if that <i>pc</i> will take a trip "down under". nerf Clan ONE 19:00 25/1/2003	Obi played at CPL summer quals and GDOC, as Ripper correctly said. We have 5 players and 3 non-players. We probably will have to recruit though, as Nego is busy with work and of course it is more difficult for him to travel from n.ireland (that's how it seems right now, though i wouldn't want to speak for him). For me or Obi (or Iccy :P) to fill the spot would take far more practice and isnt really feasible, so that's unlikely. So yeah we will be looking for a player, but we're not rushing into anything. KhAoS Leaves ClanONE

Posted by Ripper at 16:51 25/1/2003.

He will be replaced but we have no-one atm who will definitely be joining us.

Here's a short interview with the man himself:

Ripper: Why did you leave ONE?
KhAoS: I decided to leave ONE as i found it impossible to play in the same team as Strikes.

Ripper: What will you be doing next? Got any clans lined up?
KhAoS: No, i've been thinking about going to australia with some friends for 6 months, which i'm going to look more into now.

Ripper: Did you enjoy your time in ONE, and do you have any final words to say to them?
KhAoS: Yes, some great times, keiju BL righteous & obi are 4 of the nicest blokes you will meet and we had a laugh.

Ripper: Finally, what do you predict for ONE now?
KhAoS: They'll go on to beat 4k in time i think

Good luck to KhAoS and ONE.

NukeMasta 13:03 26/1/2003	yeh that was below the belt iron. i'd just keep the team as it is, if

	strikes wasnt good enough for ONE (which he is) then he wouldnt be in the clan, he played in the original team at there first lan and think that if they would have done well at follwing lans as well if they had kept the same team. i think they should just recruit a backup player to replace some1 if there unavailable instead of some mad skillz cs0r who wont fit in to a team of good friends (this isnt referring to khaos) dunno whether i put that right but im still p***ed from last night so leave me alone if i did it wrong [Comment: Report IP: Logged]
