Clanbase Update

Posted by Ripper at 09:38 27/2/2003.

Here's an update on whats taking place this week in the numerous Clanbase cups:

- In the UK/Benelux Division 2 Qualifiers Imminent and SA play their respective round 2 fixtures tonight so good luck to both of them.
- In the Eurocup there are 2 interesting games taking place tonight, with the group A big guns that 4Kings and ONE are still to face, mouz and TeG, coming face to face in what should be an interesting match. Also, Team Magic, last seasons Opencup champions take on the Danish clan erratic in group D.
- 4Kings will finally get their Eurocup campaign underway tomorrow night as they come up against mouz in a rescheduled fixture due to start at 7pm, hang around in #4kings for scorebot and HLTV information. ONE's first game takes place on Saturday against a-Losers at 6pm, so be sure to tune into that as well.
- omg!'s 2nd match in the Opencup Division 1 has been finalised for Sunday at 8pm against french clan TiTiReT, while dNC have their first match an hour later when they come up against Viper Electronic Sports.
- Finally, last chance play their 2nd game tonight against last seasons Opencup Division 2 Champions Team-Armageddon. The match starts at 9pm, HLTV and scorebot information will be published in #lastchance later tonight.

EndGame reformed as well.

Del` Sniper's Alley 22:51 27/2/2003	We (SA) lost tonight, but we played the equivalent of a whole map 4 v 5 due to the WON server going down as Ts on train and booting me half way through, and then the second map being played too late for Ferrers who had to leave 2/3 of the way through the first half. We were trying to play as fast as possible, almost CO style to play as much as we could before he left. [Comment: Report IP: Logged]
